CORN

Lift Off—No Pain!

Doesn't hurt one bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the foot calluses, without soreness or irritation.

QUICK QUAKER, hot and enticing, is faster than plain toast. For scores of thousands it is solving the breakfast problem.

The most delicious of breakfasts, it provides an excellent food "balance" of protein, carbohydrates and vitamins—plus the "bulk" to make laxatives less often needed—that authorities have made the dietetic urge of the world.

Less nourishing foods, less delicious foods, simply to save time are a folly. Start now every day with food that "stands by" you through the morning.
