Eliminating Chances

In the old days, a motor trip was an old clothes, bad tempered proposition. Very few miles could be traveled before a series of reports heralded the advent of four ruined tires and a half day's work. Seiberling cords have been the one big agency that has changed all that and today, when your car is Seiberling equipped, you make a long trip or a short one without the least fear of trouble.

Your car deserves Seiberling Cords.
