Why women who drive FORDS

—should ask for
Veedol Forzol by name

TOO many women are getting too little comfort and pleasure from their Fords. Somehow or other they just don't get the easy driving and perfect control which the Ford will give.

The answer to the whole problem lies in oil. Not just any oil, but the special kind of oil that keeps Fords really fit—Veedol Forzol.

Veedol Forzol is not simply a different grade of oil. It is a different kind of oil designed solely for use in the Ford. It ends Ford chatter. It gives you the smooth control and ease of driving that you should always get from your Ford. It gives you 8 Definite Economies in operation which include 10 to 25% gasoline and oil saving.

At the great Tide Water plant at Bayonne, N. J., Veedol Forzol is refined from the pick of Eastern crude oils. It is shipped by boat to the Pacific Coast. This safeguards Veedol Forzol's high quality and keeps it always uniform.

Today drive up to the next orange and black Veedol Forzol sign. The dealer will give efficient, courteous service. He'll gladly drain out the old oil and fill the crankcase with one gallon of Veedol Forzol. Ask for Veedol Forzol by name.

A QUART

It costs less than I cost a quart to ship Veedol Forzol to the Pacific Coast. When you buy Veedol Forzol, you pay for quality—not freight. Other makes of cars should use other motor oils. The Veedol Motor Protection Guide specifies the correct Veedol oil for your car. Ask your dealer.

Woodland-Klamath Games Begin Today; May Play In Chiloquin Monday, Prospect

Captain Duback will probably start Hogle, new pitcher from the Butte Mines league, in the game with Woodland of the Northern California league at the fair grounds at 2:30 this afternoon.

Collins, new catcher from the Arizona Copper league, may work, but there is a possibility that King, who handed in his resignation as manager of the Pelican club early in the week, may decide to don his uniform and do the back stop honors in these three games with the Woodland club.

A movement was started here yesterday to play the last of the three games of the Woodland series at Chiloquin on Klamath Falls day next Monday. The local directors feel that the game transferred to the reservation city would be patronized much stronger than at the local park on that day, owing to so many Klamath residents being out of town.
