Choose shoes here, and know that the new smart style you see in Walk-Overs is matched by matchless clinging comfort, and the smart, revealing grace that Walk-Over fit can add to shoes already smart in style.

A good tire dealer is always glad to see you drive off with new CTC Cords or Balloons on your car.

He knows from experience you will get greater mileage and less road trouble from CTC than any other tire.

Because CTC's are standing up under the hardest use, the toughest roads, and in the end cost less money.

The scientific tread design really eliminates skidding. Ask your dealer to explain how this tread gives better mileage.

Make the next tire you buy a CTC. They cost no more than ordinary tires.

One piece of business in "The Fighting Heart" which is at the Liberty theater, gave "Smiling George" O'Brien no little amount of trouble—to appear awkward with boxing gloves on his hands. The youthful Fox star, during his hitch in Uncle Sam's navy in the world war, won the championship boxing honors of the Pacific coast and it therefore is natural that he should display dexterity in handling the padded mitts.
