### Father Whose Wild Driving Injured Little Child is Given Light Fine

Ernest Perkins was fined \$25 and his driver's license was revoked for 90 days in Judge Kimball's court this morning on a charge of reckless driving.

Perkins' arrest grew out of the near-fatal injuring of his two small children when he failed to make a turn in his car and turned turtle just this side of Pelican City on June 27. Witnesses of the crash claimed Perkins was driving wildly at a speed of approximately 50 miles per hour.

### DELAPS ARE HOME

Mr. and Mrs. Charles F. Delap have returned from Bend, where they spent several days on a combined business and pleasure trip.

When the Senate primary investigators go to Chicago to investigate Senator Caraway's charge that Col. Frank Smith, Republican senatorial nominee, spent \$2,000,000 in his campaign, they are going to catch a Tartar in the person of Allen F. Moore, Smith's campaign manager. Moore calls the charge ridiculous, saying not a quarter of that sum was spent.

# MYSTERY FIRE PERILS ROOMS

### Blaze Begins in Attic and Works Way Down Thru Ceiling of Building

The Klamath fire department was called out about 10:30 last night to the Oregon House at 257 Klamath avenue where a blaze of mysterious origin had burned through the ceiling from the attic and in few minutes more would have seriously threatened the building, according to Keith Ambrose, fire chief.

"There was no wiring of any kind in the vicinity of the fire and no chance for sparks to blow in there," the chief said. "This was one fire that I simply can't explain; it may have been caused by rats or mice carrying matches in there and starting a blaze, but there was absolutely no evidence even of rodents to be found."

### At the PINE TREE

Clayton the Mystic will be the big feature attraction at the Pine Tree theater beginning Friday, for one week. This great Oriental seer and crystal gazer comes direct from a tour of the R. F. Keith circuit in the East and is spending a summer in his home state of California. Manager Poole of the Pine Tree is glad to be in the position to offer such an attraction as Mystic Clayton to his patrons. Clayton is conceded to be the leader of all crystal gazers and is a rarely gifted mystic and psychic, a power given to this mind only after long years of continual study in the arts. Clayton will help you out of your difficulties no matter how perplexing. Time and again this master mind has accomplished the seemingly impossible. Your questions or troubles whether they be of a private nature or concerning affairs of business or lovers' problems will be answered from the stage in such a manner that your secrets will be revealed to no one else in the audience.

Clayton invites any questions you care to ask and skeptics are invited to test this master mindist as he has been put to the severest kinds of tests throughout the land. During his engagement in this city Clayton will give a special matinee for ladies only, when no men will be admitted, even employees of the theater will be excluded, and then the ladies may ask all those personal and delicate questions they hesitate to ask during the regular demonstration.
