**Women
delighted!**

Women are enthusiastic about the new Oronite Cleaning Fluid—it cleans so beautifully! Non-explosive—only a mild, quick-vanishing odor. Follow directions and it cleans even the daintiest blouses, satin slippers, kid gloves, hats, serge or flannel, fur, tapestry, etc. A triumph of the Standard Oil Company of California scientific laboratories. Ready now at grocery, drug, hardware or department stores, or at Standard Oil Service Stations.

At The Liberty

The spark of youth never dies. Maurice Flynn is a case in point. Ten years ago Flynn was the idol of the collegiate football world. He was the star gridiron warrior of Yale.

And the spark of youth, which still surges within him, is reflected in his productions, another one which is now being shown at the Liberty Theatre. It is called "Smile in Trouble" and is a gripping blend of vigorous melodrama and uproarious comedy—a typical Flynn show abounding in youthful spirits.
