Independent Dealers recommend Veedol
... motorists ask for it by name

ON the Pacific Coast more Independent Dealers sell Veedol than any other brand of oil—Eastern or Western. That means you can always get Veedol wherever you drive. You can always be sure the "film of protection" is on the job, safeguarding your motor from deadly heat and friction.

And no matter where you buy Veedol you'll find that it is always the same high quality. For Veedol is refined only from selected Eastern crudes in the great Tide Water refinery at Bayonne, N. J. It is then shipped by boat to the Pacific Coast.

Tide Water's unusual shipping facilities reduce the freight on Veedol to almost nothing. It amounts, in fact, to less than a cent a quart. And a penny is a tiny freight tax to pay for the additional protection that Veedol gives your motor.

When you tour, stop at the orange and black Veedol sign—it's a sign of a good dealer. Ask for Veedol by name. That is the way to be sure of the Veedol "film of protection".

ST. MARY'S ALFAR SOCIETY PLANS COOKED FOOD SALE
TUESDAY evening members of St. Mary's Altar society met for their usual business meeting, followed with a social hour at Lyceum hall.

An interesting event of the evening's program was the talk on Italy which Father Morton gave. This was greatly enjoyed by the members.

Plans for a cooked food sale to be held on July 24 were made and Mrs. Roy Hickman named as chairman of the committee in charge.

Strange things happen every day. The wife of the ex-kaiser denies the rumor that she will get a divorce.

**FOREST-WILLEY
NUPTIALS PERFORMED
WEDNESDAY EVENING**

A QUIET but very pretty wedding occurred at the home of Mr. and Mrs. George Reed, 1125 Walnut street, on Wednesday evening, July 7, when their daughter, Mrs. Doris Willey, was united in marriage to Martin Forster of San Francisco, California.

The bride was very prettily gowned in a dress of tan georgette, and carried a shower bouquet of pink carnations and maiden-hair fern. The couple was attended by a sister of the bride and her husband, Mr. and Mrs. Melvin Smith.

The home was tastefully decorated in Shasta daisies and pink carnations. None but immediate relatives of the bride were present, aside from the bridal party. They were as follows: Mr. and Mrs. J. A. Rose and sons Donald and Norman, Mr. and Mrs. Sidney Herbert, Mrs. J. Braun and son Joe, Mrs. Jack Linkenbach, Stanley Reed, Lloyd Reed, and Fay Marie Willey.

After the ceremony, which was conducted by Rev. T. D. Yarnes of the Methodist church, a wedding supper was served.

Mr. and Mrs. Forster will be at home to their friends at 613 East Main street.

Mr. Forster has for some time been employed at the Big Lakes Lumber Co., and Mrs. Forster in the office of Attorney E. B. Ashurst.

Mr. and Mrs. Carl F. Seitzer and family of southern California are enjoying a visit in Klamath Falls with former friends. The Seitzers moved south a few years ago and while residents of this city made many friends who welcome their return. They are house guests of Mr. and Mrs. Claude Davis.

Mr. and Mrs. Francis P. Hannon have returned to their home in Richmond, California, following a fortnight's visit here with relatives and friends.

**RECEPTION AND DINNER
HONORS NEW MEMBERS**
A RECEPTION and pot luck supper honoring the new members of the First Christian church was held in the basement of the church on Friday evening.

During the recent evangelistic services under the direction of Rev. Pettie thirty-five new members were taken into the church.

The affair was most successful and much credit is due Mrs. H. P. Wickersham, the committee in charge.

Mrs. Theima Grizzle is enjoying a visit in a number of northern points with relatives and friends.

Mrs. R. E. Deweese and Mrs. J. Hardin Carter are enjoying the ocean breezes at Seaside.

No Mistaking the Quality in this Standard Six Coach!

JUDGE this Standard Six Coach by its quality features—in comparison with other fine cars—and you'll realize then the sensational value it offers.

According to the rating of the Society of Automotive Engineers, it is the most powerful car of its size and weight in the world.

It is one of the roomiest coaches on the market. Seats are restfully deep and wide. Upholstery of genuine wool, rich looking and durable. Full-size balloon tires (with specially designed steering gear) give unsurpassed riding comfort.

Equipment of the same high standard—and unusually complete; automatic spark control; safety lighting control on steering wheel; gasoline gauge on dash; coincidental lock to ignition and steering gear, operated by the same key that controls door and spare-tire carrier locks; automatic windshield cleaner; rear-view mirror; stop light and dome light, air cleaner, gas and oil filters.

Before you decide on a car, by all means see this Standard Six Coach—with its many fine-car features that One-Profit manufacture makes possible for only \$1195.
