

At The LIBERTY

Given a thrilling story and surrounded by an excellent cast, Tom Mix will open a two days' run at the Liberty Theatre tomorrow when he presents the film version of Max Brand's gripping narrative, "The Best Bad Man." The action opens

in New Orleans, but quickly shifts to the west.

Clara Bow, playing opposite Tom Mix, experiences some of the most hazardous moments of her screen career, but the little beauty never falters—even in the face of genuine danger when thousands of gallons of water pour over her frail body as a huge dam gives way.

In Boston Case

Grand Jury Probe Called to Investigate Girl's Death

BOSTON, July 17, (AP)—While special detectives, the police and inspectors from the district attorney's office today hunted Dr. Thomas E. Walsh, disbarred physician, on charges of murder in connection with the death of Edith Green, 19 year old state ward, a special grand jury was called to investigate the discovery of her dismembered body in Mattapan last Tuesday.

The girl's sweetheart, James V. Ford, was at liberty under bond of \$2,000, following his arrest and confession that Walsh performed an illegal operation on the girl at his request for a fee of \$150. Ford is charged with being an accessory before and after the crime.

A second doctor, thought to have aided in dismembering the body and attempting to hide it, was still being sought by the police.

MRS. MOE BACK

Mrs. H. N. Moe returned this morning from her summer home at Rocky Point, where she has been for the past several days.

Fines Paid by
Three Motorists

The campaign against auto violations netted three more victims yesterday. Harry Furch paid a fine of \$10 in Judge Emmitt's court for permitting his 12-year-old son, Raymond Furch, to drive his car, and Raymond Furch was fined an additional \$10 for driving a car without a license.

C. L. York escaped with a \$15 fine for failing to stop and render aid following a motor car accident on the Ashland highway near Keno early yesterday morning.

York is a truck driver and pleaded guilty to striking and slightly damaging a light touring car operated by tourists. Owing to the fact that no one was injured and York's employer made good the damages to the tourist's car, State Traffic Officer Walter Foster recommended that York be let down with a light fine.

CHAMPION RETURNING

W. C. Champion, who has been east for the past six weeks on a business trip connected with the Clyde Equipment company, is expected in the city within the next few days. Champion is well known here where he makes frequent trips in the interests of his concern.

Miss Gallagher of
Moe's Store Resigns

Miss Agnes Gallagher, head sales lady in the ready to wear department at Moe's, resigns her position tonight after three years. She will be succeeded by Mrs. J. H. Hamilton, recently of the Weinstock Lubin and company store of Sacramento.

Miss Gallagher's engagement to Ivan A. Smith, local architect was announced a few days ago and she is resigning to prepare for her marriage which will be an event of the near future.

During her employment at the local store she has made a host of friends.

FROM PINE GROVE

Mrs. Isabell Hazeltine of Pine Grove stopped in the city this forenoon from her ranch home.

RETURNING TONIGHT

Mr. and Mrs. Floyd Wealing are expected home from southern California, where they have been enjoying a two weeks vacation with friends.

BANDON BY THE SEA

Mr. and Mrs. Jack Knowles are planning to spend the week end at Bandon by the sea.

VISITING AT CRISLER HOME

Dr. Brown Thompson of Los Angeles is the house guest of Mr. and Mrs. C. B. Crisler. He accompanied Dr. and Mrs. Berryhill north. Mrs. Berryhill is the daughter of Mr. and Mrs. Crisler, and her many friends welcome her visit here.

FROM MERRILL
W. C. Beall of Merrill transacted business in the city this morning.

WOMAN TRAPPER

EDMONTON, Alberta—Miss Mary Beale Hallette, a trapper, has musical ambitions. She's saving up money she earns by bagging big game in order to study in the big towns.

KLAMATH TEMPLE
R. C. Miller, Pastor

WE are planning the greatest day in the history of the Temple next Sunday. The big revival has just come to a close. Many new converts and adherents have come to us. Truly a great cloud of witnesses have gathered about the Temple. We want to welcome these new comers. We have some big plans for the future. We invite all our friends to come and help fill the Temple Sunday. The pastor will ring the message morning and evening. W. J. Dorman a man of splendid musical ability and who possesses a voice of rare sweetness and power will lead the big young people's choir and give special numbers in song. Music lovers and those who are really hungry for the deep truth of God will have a treat.

Sunday school 10 a. m. We have a large live-wire Sunday school that fills the Temple. Come and be one of us. There is something doing every night in the week at the Temple. Three nights a week, Tuesday, Saturday and Sunday evenings the young people will be on the street between eighth and ninth on Main street. God has put a great soul saving institution here in Klamath Falls at the Temple corner Oak and Eighth streets. Come with us and we will do the good.

FIRST CHRISTIAN CHURCH
9th and Pine

M. L. Petelle, Pastor
10 a. m. Bible school
11 a. m. Morning worship
Sermon: The Message of the Church. 7 p. m. Christian Endeavor. 8 p. m. Union Service at Methodist church. Sermon by M. L. Petelle: The Untouched Cross.

FIRST METHODIST CHURCH
10th and High Sts.

Thos. D. Yarnes, Pastor
9:45 a. m. Church school
H. Barnstable, Superintendent
11:00 a. m. Morning Worship
Subject: "Reality and Sham."
This is the second address of the series of addresses on "The Social Teaching of Jesus."
7:00 p. m. Epworth League.
This will be an installation service for the newly elected officers.
8:00 p. m. Evening Worship.
This is the third of the series of Union Services between various churches of the city. Rev. Petelle of the Christian Church will be the speaker. The general public is invited to all these services.

CHURCH OF THE NAZARENE
Place: On State Highway, east of city, 1/2 mile east of canal, at the home of Mr. Arthur Combs, south side of Highway.

Sunday School, 9:45 a. m.
Preaching: 11:00 a. m.
A hearty welcome to all.

R. A. Sanders, Pastor.
We are trying to find a suitable location for our church. Would be glad to consult with interested parties. Want to locate in this city.
R. A. Sanders, General Del. City.

FIRST PRESBYTERIAN CHURCH

Sunday, July 18, 1926
10 a. m. Church school. George McIntyre, supt.
7 p. m. Young People's Christian Endeavor.
8:00 p. m. Union services at Methodist Church. There will be no service at 11 a. m. due to the pastor's absence. He is attending Synod of Oregon at Eugene.

Now—for America a revolutionary European-type high-speed Light Car

This New Car Offers:

- 30 miles on a gallon of gasoline
- 55 miles an hour—5 to 30 miles in 13 seconds
- 4-wheel brakes—stops in 51 feet from 40 miles an hour
- Turns in 34-foot circle—easiest car in America to park
- 5 feet 8 inches high—lower gravity center—greater safety
- European-type body—more inside room than any other light car

A three-minute study of these remarkable facts may save you from buying an obsolete automobile

THIS is the announcement of a revolutionary new-type car, different from anything you have ever known before.

A car that combines the advanced engineering practice of Europe with new and improved standards of American performance.

This new car has a low, European-type body. With height and length in true symmetrical proportion.

It is 5 feet 8 inches high . . . not as tall as the average man. Yet it provides more room and comfort than you've ever found in any automobile of this class before.

It has a high-torque, 31 horsepower motor of small bore and long stroke—the same engineering principle used in the fastest racing cars of America and Europe.

It turns in a 34-foot circle . . . that's less than the width of an average city street. You can park in 14 feet . . . which is much less than the space required for the ordinary car.

4-wheel brakes are an integral part of this new car's chassis design . . . a necessity which light car owners have not heretofore enjoyed. Measured tests show that it will stop in 51 feet from a speed of 40 miles an hour.

Its center of gravity is extremely low, with ample road clearance . . . thus giving a sense of security you have never found in any light car. Something you actually feel when you drive this car.

Two engineering ideals combined

The Overland Whippet represents a combination of the most advanced European and American engineering thought.

Compared with old-fashioned, bulky cars the Whippet appears smaller and much more graceful

It is a complete new car . . . designed and built as a unit . . . not an old-fashioned reconstructed chassis.

For over three years, Willys-Overland engineers in Europe and America have been developing it. Over 360,000 miles of road tests proved the practical advantages of this car before it was released for production.

The distinctive body lines of the Overland Whippet frankly resemble the smartest automobiles of America and Continental Europe. Stand in front of this car and you can imagine yourself on the boulevards of France.

Low-slung . . . rakish . . . graceful as a whippet . . . that's the only way to describe it.

Complete symmetry of design has been achieved with compact external dimensions.

Compared with contemporary big, bulky cars the Overland Whippet ap-

11-inch 4-wheel brakes enable this car to stop in 51 feet from a speed of 40 miles per hour

One of the first Whippets being inspected by Miss Lois Wilson at her New York motion picture studio

pears smarter and much more graceful. That's because height and length are in true artistic proportion.

In the Overland Whippet you have the feeling of riding closer to the ground . . . with the resultant sense of solidity and absence of that sideways so noticeable in the conventional type of car. That high-up-in-the-air feeling is gone . . . here is a new kind of riding comfort. Step into this car and you will be surprised to find so much spacious room.

You can compare the Overland Whippet with all other American light cars on the basis of price alone. But from the standpoint of engineering, performance, comfort and quality, it has established an entirely new criterion by which all other light cars must be judged.

The Overland Whippet is furnished in three body styles . . . Sedan, Touring and Coupe.

See this new-type car

You have never seen a car like this before. With the introduction of the Overland Whippet, it is not sound judgment today to consider the purchase of a less modern car.

A new trend of automobile design is dawning in America. Other light cars of this design will follow this one.

But today Overland . . . and Overland alone . . . offers you these unique engineering attainments. In fairness to yourself, see this wonderful new-type car.

Willys-Overland, Inc., Toledo, Ohio.
