

Promotion hadn't always passed by

HE COULD remember when the whole office had called him "the coming man." . . . What a difference now! He was barely getting along! His pep, his energy, all his old-time fight were gone. His prospects shattered! What had happened?

Constipation is the cause of much unhappiness and ill-health. It weakens strength. It saps vitality. It sickens the mind and body! Yet, it can be relieved—yes, prevented! Kellogg's ALL-BRAN is guaranteed to bring safe relief—prompt prevention!

Why doctors recommend ALL-BRAN

The "bulk" in ALL-BRAN absorbs moisture and carries it throughout the intestines—at the same time it gently distends them, purifying, removing wastes and poisons. In a

part-bran product the quantity of bulk is usually too small to be effective. That is why doctors recommend ALL-BRAN—because it is 100% bran.

No need to risk habit-forming drugs!

Kellogg's ALL-BRAN is sold with this definite guarantee: Eat it according to directions. If it does not relieve constipation safely, we will refund the purchase price.

How different is ALL-BRAN from drugs and pills—whose dose must be constantly increased to remain effective! ALL-BRAN is delicious with milk or cream—and add fruits or honey. Let it soak a few moments to bring out its full crisp flavor. Mix it with other cereals. In soups. Try the recipes on every package.

Don't risk part-bran substitutes. Insist on genuine Kellogg's—the original ALL-BRAN. Sold by all grocers. Served at hotels, cafeterias. On diners. Made by Kellogg in Battle Creek.
