SUCKER RUN IN SPRAGUE RIVER IS UNDER WAY

(Special To The Herald) BEATTY, March 12.—Frank Schmitz returned from Klamath Falls on Tuesday with Mrs. Otto Boy and her two daughters. Mr. Boy met them at Beatty and they returned to their ranch at Bly. The sucker fish have been running for about a week and the banks are lined with people trying their luck. Most of the fish have been noticed on the Willits place. Sam Hiddle is up and around again after being confined to his home all winter. The Hiddles are the proud parents of a baby girl. Another shipment of furs has been made by C. H. McComber. The community meeting of last Friday was a splendid success. A debate on the question of the five million dollar loan got the judges in bad as they decided against the loan. Otto Boy from Bly has purchased a stack of hay from Harvey Drew and will move his cattle down to finish feeding before turning them out. C. R. Taylor, stockman, and Dr. Holland and Frank Schmitz are making a trip to Klamath Falls and the Agency on business. Edson Duffy and Parker Hubbard are reported to be improving from an attack of illness.
