## It pays to choose carefully

MEN long experienced in the ways of better farming have placed their stamp of approval on McCormick-Deering grain drills. They know without being told that seed worth planting is worth planting well, and to accomplish this a good drill must be used. McCormick-Deering grain drills represent the tireless efforts of over a half-century of careful observation and drill manufacturing experience. They are the best that can be found in seeding machinery. Proved efficient by years of actual field use. McCormick-Deering drills are built to serve for a long period of years.

No farmer can afford to risk a reduction in yield by using an uncertain drill. It is simply good judgment to use a drill that will do the most efficient work in less time at less cost. See the McCormick-Deering first. Talk to McCormick-Deering owners. A McCormick-Deering drill in the proper style and size on your farm will soon pay for itself in greater crop yields.

## Oratorio Sung Before Large Audience Here

A capacity audience greeted the presentation of Messe Solenne, St. Cecilia's Mass by Gounod at The First Christian church last evening.

Under the able direction of Mrs. Bert Holloway, the society worked faithfully during the past month in order to present the worthwhile oratorio from the world of music.

The mass, in Latin, is indeed most inspiring and those who heard it last night were high in their praises. A repetition will be heard at The First Presbyterian church on Sunday evening.

Mrs. George McIntyre is organist for the mass. There are a number of solo, duo, and trio parts that are exceptionally well done. Mrs. F. R. Olds, Wayne Akers, E. S. Veatch and Lynn Sabin carried the solo parts remarkably well.

## What Is Money For?

MONEY IS TO BE USED—in paying rent, for groceries, clothes, and other expenses. Everyone should SAVE some of his money, too, against sickness, loss of work, and old age.

But money should be kept in a bank account—NOT HIDDEN AWAY AT HOME. If everyone kept his money at home, there would be no money for use in business!

Keep your money SAFE in a bank account here where it will work and earn MORE money for you. We cordially invite your account.
