WALSH IS HELD IN CITY JAIL

arm, twisted it up behind his back until it snapped and dragged him out of the machine, Dunham claimed.

"Walsh asked me for \$10,000," Dunham said. "I pretended to faint, was carried into the house and heard him ask his wife to get blank checks. He asked me to write checks for \$1,000. I complied."

Dunham said he also wrote out a bill of sale for a car and driving to the garage with the Walsh's informed them that everything was all right.

As soon as he was freed from Walsh, he called an employee told his story, asked for the arrest of the Walshs and then went to the hospital to have his arm set.

Dunham announced last night that he would file blackmail charges against Mr. and Mrs. Walsh.

He said that he had written the checks and the bill of sale in order to "clinch" the pair.

Officers had not questioned the Walshs up to this afternoon. The district attorney's office announced that a searching probe into all phases of the case would be prosecuted.

The Enchanting Actress, Laura Hope Crews writes:

"It was only two years ago that I smoked my first cigarette. It was in a play. My throat is very sensitive. However, the cigarette was a 'Lucky Strike' and it did not affect my voice in the slightest. I greatly enjoyed it. So that first cigarette has made me a 'Lucky Striker' for life."

Laura Hope Crews

You, too, will find that Lucky Strikes are mild and mellow—the finest cigarettes you ever smoked, made of the finest Turkish and domestic tobaccos, properly aged and blended with great skill, and there is an extra process—"It's toasted"—no harshness, not a bit of bite.
