writes:

"During a strenuous rehearsal, with the work entailed in operating the World's Largest Theatre, where one's nervous system is working under great pressure, there is nothing quite like a 'Lucky Strike' cigarette. It does not impair the voice, and gives the mental relaxation so essential to carry on."

John Philip "Roxy" Ropes

You, too, will find that Lucky Strikes are mild and mellow—the finest cigarettes you ever smoked, made of the finest Turkish and domestic tobaccos, properly aged and blended with great skill, and there is an extra process—"It's toasted"—no harshness, not a bit of bite.
