WOOL PRICE IS AGAINST BUYER

Market Firm; Tendency Continues to be Favorable to Producer

BOSTON, June 10. (AP)—The Commercial Bulletin tomorrow will say: "While there is no unusual movement in wool in the eastern markets this week, prices are very firm and tending against the buyer. In the west the market is active and prices in some sections are dearer by a cent or so per pound. The foreign markets are all firm and the tendency of values is against the buyer. Cables from Australia report serious drought in Queensland, New South Wales and Victoria. Mohair continues in moderate

DAD VOLTAIRE PASSES TODAY

Aged Resident of Klamath Dies; Leaves Mother Aged 106

Death has sealed the smiling lips of S. H. Voltaire, known to hundreds of Klamath Falls residents, especially those of the business district who was known to everyone as "Dad." The beloved old character, who had reached the age of 83 years, passed away this morning at an early hour, following a brief illness.
He leaves a mother, who resides in the far south, who reached her 106th birthday early this spring. A daughter, Mrs. L. C. McCormick of Inglewood, California, is expected in the city this evening. Another daughter and son, living in the east, survive.
Employed as a piano tuner, Mr. Voltaire took an active interest in his work and at the time of his passing was employed at the Gus Dunn Jewelry Store.
The remains are at the Earl Whitlock Funeral Home, Pine Avenue at Sixth. Announcement of the funeral arrangements will be made later.

CITY SUED BY T. AMBROGETTI

Claims Council Damaged Property by Change of Of Specifications

Suit for the recovery of \$5,000 damages and for an injunction from the court restraining the city from selling its property on Rogers street because of liens placed against it, was brought today by Tommaso Ambrogetti against the city council and Mayor Tom Waters.
Ambrogetti contends that the city by allegedly wrongfully altering the grade in the Rogers street paving project—contract for which has been let to Dunn and Baker Construction company—has damaged his property. He claims the city council and the mayor are responsible. Personnel of the council includes Francis Olds, H. E. Peltz, J. E. Van Camp, Elmer Balsiger and Paul Lambert.

Colorful Mayor Will Start Long Marathon

SAN FRANCISCO, June 10. (AP)—When the Redwood highway Indian runners toe the starting mark next Tuesday morning at the city hall preparatory to beginning their 480 mile jaunt to Grants Pass, Oregon, the shot that will send them on their way is to be fired by Al Jennings, former bank bandit and train robber of Texas and Missouri, but now mayor of Crescent City, Del Norte county, California.

To Build Bridge

Construction of a county bridge across Willow creek in southeastern Klamath has been initiated by the county engineer's office through authorization of the county court. The span will be located just below Willow Creek irrigation dam and will obviate the necessity of crossing the creek on the top of the dam, a dangerous and narrow thoroughfare.
