Lelia Fourier Will Give Exhibition Near Shipping-ton Tonight

Chamber of Commerce Forum members today at their luncheon learned something of the art of swimming from the nationally known long distance swimmer, Lelia Fourier, who has selected the upper lake as her training quarters prior to entering the Canadian marathon race.

She told of many interesting experiences in the contest she entered in swimming the Catalina channel near work at Alameda and in general mentioned some of the little troubles of the swimmer who combats nature's elements in the ocean.

This evening at Shipping-ton she will give an exhibition for the public showing how the professional swimmer is prepared for the cold water and will also give exhibition swimming.
