

BRIEF NEWS OF KLAMATH

Items of Interest Concerning Residents of the Great Klamath Basin. If You Have News for This Department, Your Courtesy in Calling 89 Will Be Appreciated

At Ruck Home—

One of the most enjoyable affairs of the past week was that of Sunday at the ranch home of Mr. and Mrs. Michael Ruck of Bonanza. The Rucks are among the pioneers of this section having lived in this county for more than 45 years. A family dinner was enjoyed and the late afternoon and evening passed with games and music. Among those who enjoyed the affair were Mrs. Margaret Holiday and two small children, Mr. and Mrs. Fred Ruck and sister from Portland, Mr. and Mrs. Albert Hargrove and family, Mrs. Theo Harte, Mr. and Mrs. Leonard Ritter and small children, Mrs. George Ritter, Mr. and Mrs. Fred Heltner, the Kenners and Rosa Kessler.

Left For South—

Mr. and Mrs. Carl Newbury and Mrs. Lawrence Mehaffey and two children left this morning for Antioch, California, after spending a delightful week here at the home of Mr. and Mrs. Wilbur Jones. En route south the party will visit Crater Lake and this evening will be guests of relatives at Phoenix. In returning south they will go via Crescent City. During the past week Mrs. Mehaffey and Mrs. Newbury have been honor guests of a number of delightful affairs. Mrs. Newbury visited here for the first time, joining her husband in Portland from the east where she has been for some time visiting with her parents at Minneapolis.

Home From Meeting—

A party of members of the Daughters of the American Revolution, including Mrs. Charles Martin, Mrs. R. E. Wattenburg, Mrs. D. H. Harshbarger, Mrs. Wilbur Jones, Sr., and Mrs. Allen Sloan returned last evening from Albany where they attended the board meeting of the D. A. R.

At Diamond Lake—

Mr. and Mrs. Bert C. Thomas and daughter are spending the holidays at their summer home at Diamond Lake. Myron Shannon of the First National Bank, is to be the guest of Mr. and Mrs. Thomas over the holidays.

Art Larson Here—

Art Larson of the University of Oregon, has arrived in the city to spend the holidays with friends. Larson is a popular student at Eugene and has many friends in Klamath Falls.

Leaving Soon—

Mr. and Mrs. Thomas Aaron Robertson plan to leave within the next few days for Alturas where they will reside. Mr. and Mrs. Floyd Duncan McMillan have taken their home at 221 North Ninth.

At Kelley Home—

Mr. and Mrs. J. C. Bromley and children of Grants Pass and Mr. and Mrs. B. J. Crowley of Lakeview are the holiday guests of Mr. and Mrs. C. C. Kelley. With their guests, Mr. and Mrs. Kelley plan to leave Sunday morning for their summer home at Lake of the Woods.

McClay On Business—

E. E. McClay, rancher of the Merrill road, spent Friday here transacting business.

Forbes Pure Drugs.

At Soule Home—

Miss Cara Collins of Los Angeles is the house guest of Mrs. Rose Otey Soule for a fortnight. Miss Collins has visited here on previous occasions and has many friends who welcome her return this summer.

At Dollarhide Home—

Mr. and Mrs. T. A. Burgess, accompanied by their two daughters, Miss Shirley and Mrs. C. F. Siebert, arrived by motor on Friday afternoon from Vallejo, California. They are guests at the home of Mrs. Burgess' sister, Mrs. O. B. Dollarhide of Lancaster Avenue. They plan to leave Sunday morning for Diamond Lake where they will enjoy the holidays.

Mrs. Belding Leaving—

Mrs. Mollie Belding plans to leave on this evening's train for Seattle where she will attend the national convention of N. E. A. which will be held from the third to the ninth of this month. Mrs. L. P. Willis and Miss Grace Lytle will also enjoy the trip. Mrs. Hackett will join the party in Portland and journey on to Seattle.

Cafeteria Opened—

It will be of interest to local people to learn that a Cafeteria will open in the Melhase Block, downstairs, where tempting home cooked foods will be served. The new Cafeteria is located opposite the court house. The opening will be Sunday, July third.

By Methodist Ladies at Millers Market, Saturday, July 2, 1927. Adv. 20-2

Arriving From South—

Don Belding, formerly of this city and now holding a responsible position with the Union Oil company in California, will spend some time here within the coming two weeks inspecting the interests of the Union Oil. He will visit with his mother, Mrs. Mollie Belding of this city, and upon his return south, Mrs. Belding will join him and spend the month of August in southern California with her son and daughter-in-law.

Left For North—

Mr. and Mrs. J. Perry Wells have left by motor for Seattle where they will attend the national convention of N. E. A.

B. W. McCormick of Keno is a business visitor here today.

Dr. Otey Here—

Dr. J. J. Otey of Glendale, California, prominent physician and surgeon, is here for a few days visiting with relatives and friends and transacting business. Dr. Otey is the house guest of his sister, Mrs. Rose Otey Soule while here.

JACK DEMPSEY'S BROTHER SHOOTS WIFE, THEN SELF

(Continued From Page One)
few minutes later and the shooting followed.

SALT LAKE CITY, Utah, July 2. (AP)—John Dempsey, who shot and killed his estranged wife and then ended his own life, is a brother of Jack (William Harrison) Dempsey, former world champion heavyweight prize fighter.

The dead man was one of a family of six children of Hiram and Cecilia Dempsey, and police say lived an easy life. He was frequently in minor entanglements with the police, and about two years ago, in a fit of anger, drove his aged father from the home with a butcher knife.

Metropolis Lauds Four Heroes

(Continued From Page One)
A second charge of assault with attempt to commit mayhem hangs over them in addition to the extortion charge. Smith is not charged with assault with attempt to commit mayhem.

Perfect Refrigeration

SIMPLIFIED—QUIET
ECONOMICAL

Just what does simplicity mean in connection with an electric refrigerator? It means that it can be installed in a few minutes, that it will run indefinitely without oiling or attention. It means lower current consumption and more constant temperature. And it means perfect refrigeration that keeps food fresh, luscious and wholesome.

All the moving parts of the General Electric Refrigerator are enclosed in one hermetically sealed housing that keeps efficiency permanently in and trouble permanently out.

Over a period of fifteen years, sixty-four engineers worked toward this great electrical achievement. They made several thousand models of nineteen different types—field-tested them—improved them.

Only an organization with the world-wide facilities and the unlimited resources of General Electric could have put so much man-power and so much money behind the development of a single product.

Models for every home are now on display. Come in and see them. In the meanwhile, mail the coupon below for an interesting descriptive booklet.

Outstanding Advantages

Simplified—no pipes, no drains, no attachments. Portable—install anywhere. Just plug into any outlet and it starts.

Quiet—three feet away you can hardly hear it. No Servicing—never needs oiling or attention. All moving parts are enclosed in a hermetically sealed housing.

Economical—uses very little current, and maintains uniform temperature.

Clean—the circulation of air through the coils drives dust away from the top of the refrigerator.
