RANCHER'S CAR STRIKES HORSE

News Notes of Shasta View;
Rains Benefit To Crops
On Klamath Project

(Special To The Herald)
SHASTA VIEW, July 5.—The fine rains Saturday night and Sunday were a great benefit to crops and we have not heard of any damage from frost.

W. A. Layman and wife were in Klamath Falls Saturday evening where the former had dental work done. They called on Mrs. Layman's niece and husband who just

arrived from Birmingham, Iowa, to spend the summer with her parents Mr. and Mrs. H. B. Kirkpatrick. On the return trip of the Laymans they had a narrow escape when a horse on the highway stopped in front of their car and they damaged their car to some extent but no injuries to the occupants.

Lester Wilson and Frank Tofell are hauling wool from Mud Lake to Klamath Falls for D. R. Murphy. W. R. Haskins and family were visitors of relatives in Poe Valley Sunday.

Earl Wilson spent Sunday with friends in Klamath Falls. Mrs. A. N. Thomas and son Perry, of Dorris, spent Sunday at the W. A. Layman home.

Monday visitors at the home of John Bailey and wife were G. D. Stocum and wife of Coudersport, Pennsylvania. Mr. and Mrs. Paul Lambert and George Turner of Klamath Falls. Mrs. Stocum is a sister of Mr. Lambert and has not seen her brother before for thirty years. Mr. Stocum is Assistant District Manager of the Mutual Life Insur-

Is Your Ice Card In The Window?

Begin Now to Help Baby Survive the Summer!
BABY will come safely through the dangers of hot weather if you begin now to build up his vitality.
The right kind of food is important, but it must also be kept fresh and wholesome. This can be done during the changeable weather of spring only by keeping ice in the refrigerator every day.
Milk, the most essential food for building strength for babies and older children, deteriorates if the temperature is over 50°; it freezes if the temperature is 32° or under. You cannot depend upon the weather to keep milk.
It costs very little at this season to keep your refrigerator filled with crystal pure ice.
