## JERUSALEM HIT HARD BY QUAKE

### "City of Peace" Devastated By Quake; Populace Is Afraid

JERUSALEM, July 13. (Jewish Telegraph Agency)—The old city today had the appearance of having passed through a military siege as the result of the earthquake. The streets were filled with crowds, the people hesitating to enter the houses in fear of a recurrence of the earthquake, and possible collapse caused by a weakening of the foundations. As the hours passed, however, a calm atmosphere was returning to the "city of peace."

## Wheeler-Olmstead Hearing Tomorrow In Federal Court

Whether or not the Wheeler-Olmstead lumber mill will go on the sheriff's block Friday for public sale on a mortgage foreclosure, will be decided tomorrow morning in federal court before United States District Judge Bean, when arguments on a temporary injunction, brought by Lloyd Wentworth, Portland, trustee in bankruptcy for the bankrupt mill, will be argued.

"I postponed the sale of the mill first from last Friday to Tuesday, and then from Tuesday to Friday," Sheriff Hawkins said. "I'm hoping that the fight over the disposition of the mill will be settled soon, so it can get out of my hands."

Wentworth has asked F. Hill Hunter, Klamath Falls, holder of the first mortgage which he bought from the Lumbermen's Trust company, for an accounting, and on the basis of that request, the Portland federal judge issued the temporary injunction.

## FINES TO BE LIGHT

"Fines for jay-walking after August 1 will be light; just a reminder that the law is in effect and must be adhered to." This was the comment this morning of Chief of Police Keith K. Ambrose in discussing his edict that after August 1 pedestrians failing to stay within the white lines at street intersections would be arrested and haled into police court. "The fines will range around 25 cents," he continued, "and are designed merely to remind the offender of the existence of the law."

## Ranchers Favor Frank O. Lowden

OREGON, July 13. (A.P.)—Frank O. Lowden, former governor of Illinois, today received a petition bearing the signatures of 10,000 Montana voters asking him to become a candidate for the republican nomination for president. The petition which had been circulated in every Montana county was presented to Mr. Lowden at his farm home by W. E. Stockton of Bozeman, Montana, president of the Montana Farm Bureau. "Mr. Lowden said that nothing could be said at this time," said Mr. Stockton after he presented the petition. "Montana is very strong for Governor Lowden, we appreciate his attitude towards the farm problem and that is the big problem of our state. We believe that Governor Lowden is the man who will bring about better conditions."

## First Marriage is Adjudged Mortgage On Man's Property

CHICAGO, July 13. (A.P.)—The obligation of a first marriage constitutes a first lien on a man's earnings and the second marriage can only be considered in the nature of a second mortgage until the alimony payments of the first are completed. Superior Judge Harry A. Lewis ruled in freeing Orland F. Blake, member of the Cook county jail anti-alimony club. Blake's wife, Mrs. Catherine M. Blake, is suing him for separate maintenance and had him committed to jail when he failed to pay her temporary alimony. Blake told the court that he had a job but could not work at it because his wife insisted on keeping him in jail. Even if he did work, he said, he could only make enough money to support his two children by a previous marriage.

## County Prisoners are Happy in New Jail Home; Late Hours Now Taboo; Lights Go Out at 9 p. m.

As happy as larks—even though they have to go to bed at 9 p. m.—county prisoners last night enjoyed their first sleep in the new county jail on the southwest corner of the county court house block. With the \$50,000 jail accepted by the county court, the prisoners were moved to their new quarters late yesterday afternoon. "Do they like it? I'll say they do," smiled Jim Hilton, deputy sheriff.

## Klamath Falls Mail Carriers Take Vacations

Vacation time for carriers at the local post office is here, which means a new man will carry the mail for at least 15 days. With this announcement comes the necessity of correctly addressing mail, so that the same service can be carried on, despite the fact the new carrier is on duty. Names should be written plainly and addresses correctly, and where mail is delivered to boxes, the name should be written upon the box. Postal regulations require that every patron on a rural route shall have his name painted on his mail box and Postmaster John McCall is trusting that patrons will cooperate with the local office to the extent of having this done at once, giving the office a change to continue the service which has been maintained throughout the past months. Vacations at the local office started on July first.

## THE WEATHER

The Cyclo-Stormograph at Underwoods Pharmacy, in the immortal words of the ancient Greek, ain't registered no change for three whole days. Forecast for next 24 hours: Fair and warm with brisk winds. The Tycoos recording thermometer registered maximum and minimum temperatures as follows: Low 58; high 83.

Even if a man's good deeds live after him, he isn't in a position to care.

small hours, have come to an end. In the old jail, on the top floor of the county court house, the prisoners were allowed free license to stay up as long as they pleased. "But now it's different," commented Sheriff Hawkins. "At 9 p. m. the jailer herds the prisoners into cells—eight in each cell—and switches off the lights. They didn't mind it last night but it might be different later on."

## LOU AND KEITH OUTWIT STAPAC

Trap Door in Room Discovered on Second Raid In Same Night. A clever ruse employed last night by Deputy Sheriff Louis Mueller and Chief of Police Keith Ambrose resulted in the arrest for the second time this week of Louis Stapac, reputed bootlegger, at 529 Klamath avenue.

Raiding Stapac's home in the evening, the officers conducted a fruitless search for the liquor they were sure was located somewhere in the house. They left, but a short time later returned and lurked close to the house. Finally they heard a noise of boards hitting each other.

"I've got a hunch Keith," said the deputy. "So've I," answered the chief. Into the house for the second time went the officers; through the front room and into Mrs. Stapac's bed room. There, under the rug, they discovered a small trap door and just beneath the floor they found a small quantity of intoxicating liquor. Stapac is back in jail today and will be haled before Police Judge Lem L. Gaghagen on the charge of possession of intoxicating liquor.
