OVER A YEAR OLD—AND STILL A YEAR AHEAD
A Year Ago You Read—
"Whippet's advanced design will make millions of light cars obsolete"
More leg-room
It is inevitable that other manufacturers must eventually follow Whippet's example. The greater economy, greater safety of 4-wheel brakes, increased roominess, lower center of gravity and higher speed of this modern car were enthusiastically acclaimed by light car buyers everywhere.
Today Whippet enjoys the tremendous advantage of more than a year's lead. Its advanced design and up-to-date features have been definitely proved to more than 120,000 owners.
A ride in this attractive, low-priced car is sufficient to demonstrate its superiority in power, safety and comfort.
