"For Everybody"

WILL MAKE RUN WORK

NEW YORK, Aug. 25.—The time is near, says Charles F. Kettering, New York inventor, when the energy of the sun will be put directly to work instead of storing it up in coal and oil deposits and making it as pow is done. "Uncounted billions of potential horsepower are going to waste each day," he says, "because the sun's rays are not used."

NEW FLAVOR

Justice of Peace

Back from Nevada

"Yes, I'm back for good now. The vacation's over and I'll have to get down to business."

With these remarks Justice of the Peace W. E. Barnes opened up Justice court again this morning and announced himself in his magisterial chair behind the magisterial desk.

The magistrate has been on the "go" since his vacation started two weeks ago. He spent several days inspecting mine properties he is interested in in Coos county and during the past week has been in Nevada attending to business matters.

HIGH COCOA

FRIDAY—SURPRISE AMATEUR NIGHT

700 leading western car-dealers recommend this quality oil

FROM the day it's broken in to the day it's broken down a motor's fate depends on the oil that lubricates it. That is why car-dealers, whose entire success depends on the performance of the cars they sell, are so careful and critical in choosing motor oils. It is significant that more than 700 leading Pacific Coast car-dealers not only recommend Veedol to their customers, but use it in lubricating the cars they sell and service.

The reason for their endorsement is simple—Veedol is the pick of the quality oils. Into the refining of Veedol goes all of the skill Tide Water has acquired in more than half a century of oil experience. Only the choicest Eastern crudes are used in Veedol and before it leaves the great refinery at Bayonne, N. J. every drop must prove capable of withstanding heat 100 degrees hotter than the hottest friction spot in your motor.

Always use this quality oil recommended by car dealers. Stop today at any orange and black Veedol sign. Ask for Veedol by name—or, if you drive a Ford, ask for Veedol Fordol.

Tide Water Oil Sales Corporation. San Francisco, Los Angeles, Portland, Seattle.

DEALERS: Bulk delivery of Veedol products is now available to over 1300 individual cities and towns on the Pacific Coast.
