At Glover Jewelry Store—

The smallest watch in the world is on display at Glover's Jewelry store and is the cause of much favorable comment today. The watch is smaller than a dime, is made of solid platinum and is studded with the finest blue white diamonds. It is an exact duplicate of the watch that was presented by the New Photographers association to Her Majesty, Queen Marie of Romania. It is also an exact replica of the watch awarded Miss America, winner of the National Beauty Pageant held in Atlantic City just a short time ago. The watch was recently on display at Dallas, Texas, where it was necessary to have the service of traffic policemen to keep the crowds moving.
