

Tunney Shows He's Irritated At Both Rickard and Dempsey; Declares Fight Movies Unfair

NEW YORK, Oct. 25. (AP)—The New York Evening World today says Gene Tunney will retire from the ring within five years but still as the heavy-weight champion of the world. Until that time, the title holder is quoted as declaring he will devote all his time to the "perfection of physical and fistic equipment, shunning all stage or similar work of a title-commercializing nature."

Gene expects to retire to the work he has planned for the future a millionaire several times over from his glove endeavors. The paper says he expects to be in even better trim than for his recent title defense against Jack Dempsey in Chicago when next called upon to defend the heavy-weight crown.

Says Pictures Unfair
Tunney intimated that pictures of the Dempsey fight had been "so arranged and cut as to make the former champion appear to be the best possible advantage. The title holder said he could have arisen at the count of four from the knockdown in the much discussed seventh round of that battle, despite allegations that a "long count" saved the title for him.

"I have learned two lessons from my first year as champion," Tunney said. "One is that stage work and that sort of thing is best left alone. Another is that you must never go into the ring with your passions aroused."

Angered at Dempsey
"Anger over unsportsmanlike tactics resorted to by Dempsey in his open letter attack and the fact that a dear friend of mine stood to gain \$50,000 on my winning by a knockout caused me to deviate somewhat from my usual cold attack, which is necessary if one is to have the requisite command of one's self. But even though my anger resulted in flashes of carelessness, I could have gotten up after I had been dropped by Dempsey even if the referee had counted so quickly that nine would only have been the equivalent of four."

Declaring it "immaterial what they say or write about my contests," Tunney said he had "worked too hard to get where I am to be wrought up about anything very much." He said he "knew perfectly well that Tex Rickard was partial to Dempsey" in the second meeting.

"But then Tex has a mistaken idea as to the former champion's value as a gate attraction. He could not draw \$200,000 in New

York against a contender like Bill Brennan, and how near to a million did he draw with Mike? Maybe Tunney had something to do with the fact that my two matches with Dempsey drew far beyond \$3,000,000.

"And still Rickard has the pictures play up Dempsey as best he can. Do the pictures as now exhibited, show the world that every blow landed in the seventh round, after I got up off the floor, were struck by me!"

Tunney said he expected to defend his title within a year against the best obtainable contender. He said there would be no three years between matches while I am champion.

"Maybe, after my ring farewell in 1931, I will get married—but I don't think it will be as soon as that. At 34, I have decided that I will be too old to fight—and too old to get married—if you like."

BADGE WILL BE CONFERRED ON KLAMATH BOYS

For the second time in the history of Boy Scout work in Klamath county, the Eagle Scout rank will be conferred on two local boys, Tom Channing and Ross Hilman at the Court of Honor to be held at the library on Thursday evening at 7:30 o'clock.

Attorney Rolio C. Groesbeck will preside as chairman of the ceremony and will be assisted by Don Fisher, George Walton, Omar Peyton and J. Percy Wells. At least 20 scouts will receive promotions at this time.

"Perhaps few people know the prestige carried by boys who reach the point where they can receive the Eagle Scout badge," Mr. Groesbeck stated this morning.

The scout must have 21 merit badges. He must have badges for athletics, pioneering, path finding, life saving, personal and public health, cooking, first aid, swimming, camping, civic and bird study. In addition he must have eleven more of the 74 to select from.

All six ranks of tenderfoot, second class, first class, merit badge, star and life must have been passed.

Merle Swanson, son of Mr. and Mrs. Jimmie Swanson is the only other scout from Klamath county to have had this honor conferred.

The public is invited to the ceremonies on Thursday evening.

THE WEATHER

The Cyclo-Stormograph at Underwood's Pharmacy shows a slightly lower pressure today indicating that the disturbance is not over, although the rain was a local affair and the southern part of the county did not participate in the downpour. Forecast for the next 24 hours: Cloudy and unsettled with moderate temperatures. The Tyco's recording thermometer registered maximum and minimum temperatures today as follows: High 43; low 35.

GERMAN RAILWAYS ADOPT UNIQUE TIME COMPUTATION

BERLIN, Oct. 25. (AP)—A unique time computation of 0.00 has resulted from the adoption by the German railways of the 24-hour time table. Theoretically, of course, the new system of reckoning time calls for a computation of from 0 to 24, where, by the arrival of trains at midnight is to be designated with 24. But though no one ever thought of 0.00 as a time specification for any train on wheels, this vacuum numeral has notwithstanding become an accepted, official, item of the German time table in which the slow passenger train for Leipzig is scheduled as leaving the Anhalter station in Berlin at 0.00 o'clock.
