To insure highest efficiency in refrigeration and conservation on food stuffs, the cars will conform to Pacific Fruit Express company's present standards of equipment, as approved by the United States government, being heavily insulated throughout and equipped with floor racks and basket tanks. This number of additional units will make available for the season of 1928, 40,311 freight refrigerator cars of that company, and the purchase amounts to a new investment of about \$4,000,000.

TRACE HICKMAN FARTHER NORTH

SAN FRANCISCO, Dec. 21. (A. P.)—Police here were notified today that William Edward Hickman, sought for the murder in Los Angeles of Marian Parker, bought a motorcycle yesterday and left Los Angeles, headed for the San Francisco bay region. Police and deputy sheriffs were watching all roads in the area. Authorities at San Jose, Tracy and Stockton were notified to be on guard. Hickman was said to be riding a motorcycle bearing a Los Angeles county license number 80461, city license 26243. He was said to be dressed in a blue sweater, old overalls and a light grey cap.

Many other northern California cities reported receiving similar information.

"ADD LIFE TO YOUR YEARS, AND YEARS TO YOUR LIFE." Something wrong when you begin to have kidney irritations, to frequent night calls, scanty burning secretions. Rheumatic aches, stiff swollen joints are all warning symptoms. Mrs. J. E. Stevens, Emporia, Kansas, says: "Nearly every day someone asks me what I took that helped me so wonderfully. I tell them gladly of Foley Pills diuretic, that cured my ills and lifted the clouds from my life." Men and women everywhere use and recommend them.—Underwood's Pharmacy.

Hughes says he is "not a candidate in any sense." We know several who are candidates, however, without any.

At The Pine Tree

A worthwhile aggregation of talent will be the main attraction on the big double bill at the Pine Tree theatre today when The Totten Five as the outstanding feature of the vaudeville section of the program.

In "Shadowland" with Alex Perrell is a unique presentation of cleverly worked silhouettes interspersed with home comedy bits that are sure fire for laughs.

Leroy and Tozer in the Used New Car, a topical skit replete with humor, are a comedy couple who always find favor with their auditors.

Nonsensical Nonsense with The Dell Marr Trio, a duo of pretty girls and a likeable comic is pleasing entertainment. Popular songs of the day are specialized in and their is some neat harmony bits as well.

The Whistling Wep Lorenz proves to be a very versatile artist, for he indulges in song yodelling and imitations as well as some very talented whistling selections.

Those snappy steppers the Totten Quintette offer a series of terpsichorean efforts as well as piano and song numbers forming a delightful 15 minutes of fast and furious variety.

On the screen, David Belasco's great stage success "The Auctioneer," Marlon Nixon, George Sidney and Gareth Hughes in a drama for children from nine to 10.

At The Liberty

Shirley Mason, lately seen as the heroine of "Sweet Rosie O'Grady," the comedy-drama, has deserted the lighter roles of filmdom for her new picture. She has a highly dramatic role in "The Wreck," the new picture at the Liberty theatre. It is that of a girl who is fooled into a false wedding ceremony, finds she is married to a crook, and tried to run away only to find herself the heroine of a train wreck and the supposed wife of a wealthy man. How the complications are romantically untangled forms the plot of this melodrama, which was written by Dorothy Howell.

Co-featured with her is Malcolm McGregor, who finds himself a widower when his wife is killed in a train wreck, and finds a lovely girl in his home whom his mother believes is her new daughter-in-law. It is an engaging role for this popular leading man.

1927 OFFICERS OF K. F. LODGE ARE INDUCTED
