

HENLEY UPSETS DOPE AND WINS FROM KLAMATH

Second Team of K.C.H.S. Bows to Defeat Before Husky Farmers

The old "dope bucket" was upset two or three times last night down at Henley when the Henley high school basketball team outplayed the Klamath high representatives in both games of a double-header, the boys winning over the Klamath team by a single point, 15 to 14 in a exciting game as has ever been played in the county.

While Henley lacked the physical strength to combat the bigger Klamath team in the rough and tumble game which it is at times developed into, they outplayed the Klamath team when it came to real basketball. The game was close from the very start with Henley taking a lead of one point only to have the score tied four all at the end of the first quarter. With each team fighting to the very limit the rules which would allow the points registered were mighty few. Klamath high, however, slipped in an extra basket in the second quarter by some fine playing on the part of Whitney and Kranenberg and had the long end of the 6 to 7 score at half time. During the second quarter Henley appeared over-anxious and the forwards lost the ball or fumbled it several times with a close-in shot ahead and the Klamath guards left behind.

It seemed like the Henley forwards were too excited to take the necessary time to get hold of the ball, just beginning to realize they had a chance for the game but too excited to take advantage of it. When the second half got under way Henley started out with a rush with a couple of baskets as a result of the finest playing they have ever shown. Their fast breaking and passing completely upset the Klamath guards for a moment and in that short time they had the necessary margin to take the game home. Hess for Henley was the best player in the game last night. He made 11 of his team's points and was in on every play all over the floor. He broke away from his guard time after time to take the ball from a team mate as he flew for the basket and he seldom failed to make the points. The Klamath players seemed stunned by the great playing of the Henley boys and put everything into every play of the game with the result the game got a little rough at times. In the last five minutes of play Henley school started out with a three point lead, only to have Klamath gain a basket on them and with only a single point separating the two teams they fought for every advantage possible with Klamath in possession of the ball for an instant only to have Henley take it away.

Whitman Wins Championship Of Northwest

WALLA WALLA, Feb. 11. (AP)—Whitman college won the basketball championship of the northwest conference last night by defeating Willamette university 39 to 29 in a rough game. Willamette, which lost to the Missionaries last night, went after a victory last night with pile driver tactics, which were only offset by the close checking and fast playing of Whitman. The score was 25 to 14 for Whitman at the half.

The Missionaries maintained a good lead during the second half, though the score was tied three times during the first frame. Cardinal, Willamette's star center, failed to score a field goal, being held in close check by Holmstrom, Whitman center, who made eight points to the Oregonians' two free throws.

Wood of Whitman, was high point man of the game with 12 field goals in the second half, totaling eleven points for the game. Hank and Litchfield were stars for Willamette.

Whitman made 15 field goals, Willamette 10. Willamette made 14 personal fouls, Whitman 12. from them on a bad pass or a tie ball.

The two Robustelli boys for Klamath Falls played a great game making the Henley forwards travel the fastest they have in any game this year to get by. All the Henley players played a great game, by far out-doing anything they have ever shown before. Guber, Triplett and Dixon played especially well on the defense getting the ball out of the thick of a scrimmage for a pass to Hess and a basket.

The Henley girls continued their winning streak by taking the Klamath maidens into camp but not until they had been through a real tussle; the girl's game was by far the roughest seen in any of the out of town games this year, many fouls being called on both sides. The Klamath girls displayed some fine team work in their end of the court but couldn't seem to locate the basket with the same regularity as the Henley forwards.

The lineups follow: Henley—Hess, F. Triplett, F. Guber, C. Ashby, G. Dixon, G. Klamath Falls—Whitney, F. Grove, F. Kranenberg, C. R. Robustelli, G. Robustelli, G. Referee, Percy Murray.

FEATHERWEIGHT CHAMPIONSHIP CHANGES HANDS

Benny Cass, Fighting With Dislocated Shoulder, Beaten by Canzoneri

NEW YORK, Feb. 11. (AP)—Tony Canzoneri assumed recognition as featherweight champion of the world today, but only after a fierce 15-round struggle with Benny Cass of Philadelphia who boxed most of the distance with a dislocated right shoulder.

Before a crowd of about 14,000 in Madison Square Garden last night, Canzoneri opened with a rapid fire fusillade of rights, lefts to the head which nearly knocked out Cass in the third round. The Philadelphia boxer went down for a count of eight and was on his knee when the bell ended the round.

The injury to Cass was not disclosed until after the bout when a large swelling appeared about the shoulder. Dr. W. G. Fraleigh said the shoulder was dislocated and the high collar bone possibly fractured. Cass was taken to a hospital.

The Philadelphia said he sustained the injury in the third round when he missed Canzoneri with a hard right and that thereafter he was compelled to rely on his left hand for his attack.

Canzoneri piled up a big lead on points up to the tenth round when Cass, handicapped by his injury, began to land effectively with lefts to the chin, one of which sent the Brooklyn youth staggering to the ropes for support. Cass made a great rally in the next five rounds. Both boxers abandoned defensive tactics and ring finesse, pummeling one another in savage fashion. Cass was frequently warned by the referee against low punching which provoked disapproval from the fans who thought the Philadelphia boxer deliberately intended fouling Canzoneri.

The judges' verdict met with popular approval from the throng. Canzoneri weighed 125½ pounds, his rival 126.

By gaining the decision, Canzoneri brought to an end a long controversy in the featherweight division.
