PORTLAND WINS FIRST SERIES

Beavers Finally Manage to Edge Out Ahead of Hollywood Stars

(By the Associated Press)
The Beavers won their first series of the year by taking Hollywood in both ends of a double-header, 13-2 and 4-3. Every Beaver but Sigatoo got at least one hit in the first game, while Wera's wild throw played a big part in the second Portland

camp twice, 10-5 and 1-0, pulling the first game out of the fire by scoring nine times in the last three innings. The second fray was one of the prettiest pitching exhibitions of the year. Boehler yielding only two hits for the only score in the second inning. Keating Finally Loses.
Plastering Ray Keating with his first defeat of the season, a 9-3 slaughter, San Francisco took the odd games of the series from Sacramento. The morning contest was won by the Senators, 12-6, when Mails proved the easiest sort of opposition for the Sacramento sluggers. GRIMES GETS GOOCH AS MATE WHEN HURLING

By NEA Service
PITTSBURGH, April 30.—Although "Old" Smith is the regular backstopper for the Pittsburgh Pirates, he will not work behind the plate when Burleigh Grimes is on the mound.

That's because Smith, in his ten seasons in the big show, has never worked regularly with a spitball player and also because Grimes always has had a special receiver for his pitching.

Johnny Gooch will handle Grimes this year, according to Manager Donie Bush, and will be back of the plate every time he steps out for pitching duty. Gooch has had much experience in handling float ball hurlers, and should be a great aid to Grimes this summer.

BABE'S FOURTH HOMER PLACES YANKS IN LEAD

Detroit Tigers Halt Cleveland's Winning Streak

(By the Associated Press)
Given the moral support of a presidential year, the Brooklyn Robins are dreaming of pennants and world's series.

Although the flowers that bloom in the spring generally are withered beyond repair by fall, Wilbert Robertson's flock of hopefuls are not letting that interfere with their dreams as long as they can stay on top of the national league standing.

Given pitching better than even Uncle Robby had a right to expect, the Robins took both

ends of a double header with the Philadelphia Nationals at Ebbets field yesterday 3-1 and 3-0.

The New York Giants split a double header with the Boston Braves at the Polo grounds. The Braves fell on Virgil Barnes in the eighth inning of the first encounter and hammered out a five to three victory. The Giants pounded three pitchers for 15 hits to take the closing battles, 12 to 5.

At Chicago the Cubs turned on the St. Louis Cardinals and squeezed out a six to five verdict in 12 innings. Heathcote scoring the winning run on Mike Gonzales' single. Grover Cleveland Alexander started for the Cards but found the going too tough as early as the second in-

ing. Charlie Root held the invaders to one hit in the last four innings and was credited with his first victory of the season.

Eppa Rixey bested Ray Krimmer in a tight pitching duel at Cincinnati, the Reds sinking the bold Buccaneers of Pittsburgh 2 to 0.

Babe Ruth's fourth circuit drive of the season sent the Washington Senators down to their sixth straight defeat and the New York Yankees into the American league lead. The score was 7 to 5.

Detroit halted Cleveland's winning streak by eking out a 19 inning, 7 to 5 victory at Cleveland.

Eleven hits off Adkins and Connolly were enough to give the Browns a 5 to 2 decision over the Chicago White Sox at St. Louis. Jack Ogden, who had been feeling ill, nearly collapsed after running out a double in the sixth inning.

Boston and Philadelphia were not scheduled.

Sharkey is Sharkey. Sharkey is in much the same predicament as is his opponent. His draw battle with Heeney and the bout he lost to Johnny Risko apparently demonstrated that the symptoms of cretinism discovered in him after he beat Harry Wills, Jimmy Maloney and others were symptoms and nothing more. Not since he was knocked out by Jack Dempsey last summer has the former loquacious fellow shown the promise that characterized his work against lesser foes.

The two principals have put in a long siege of training, and both reported themselves in first class condition.

Delaney scaling around 150 pounds, probably will concede about 15 pounds to Sharkey.

CISSELL KEEPS UP PACE WITH CHICAGO NINE

CHICAGO, April 30. (AP)—When Bill Cissell, \$123,000 White Sox rookie shortstop, doubled in yesterday's game with St. Louis, he ran his string of consecutive games in which he has hit safely to an even dozen.

He is hitting over .300 so far and is second in that department on the White Sox lineup only to Willie Kamm.

D. ALLEN WINS BY KNOCKOUT

LA GRANDE, Ore., April 30. (AP)—Del Allen of La Grande, knocked out Fred Smith of Spokane just 40 seconds after the scheduled 10-round battle began here Saturday night. Kermit Davis of La Grande won a decision over Mickey Duncan of

HOOKS AND SLIDES

Preparing for the invasion of a distinguished party of foreign golfers, the United States Golf association has left ten places open on the list of stars who will not have to play in the qualifying rounds for the American Open championship.

Inasmuch as the British amateur team will be in this country to play for the Walker cup and since several prominent professionals have already announced their plans to visit this country, it is quite certain that the ten vacancies will be filled.

The American golfers who stand so high that they will not have to qualify for places in the open are Tommy Armour, defending champion; Harry Cooper, Gene Sarazen, Emmett French, Bill Melhorn, Walter Hagen, Archie Compston, Johnny Golden, Johnny Farrell, Harry Hampton, Leo Diegel, Eddie Loos, Bobby Cruikshank, Bobby Jones, Fred Baron, Arthur G. Havers, Perry Del Vecchio, Harrison H. Johnston, Al Espinosa, Macdonald Smith, Willie Macfarlane, Al Watrous, Jack Hutchison, P. O. Hart, Jim Barnes, Larry Nabholz, Joe Turnesa, Ted Ray, Tommy Harmon and Bob Macdonald.

Districts and Courses.

The number of qualifiers from each district will be determined by the championship committee of the golf association after the entries close on May 23. The qualifying rounds will start on June 11 and 17 districts in 15 states. The districts and courses selected are as follows:

Another 18-hole round will be played on Friday, June 22, after which all the contestants returning scores higher than those of the first sixty and ties will be retired from the tournament.

The survivors will then play two 18-hole rounds on Saturday, June 23, and if a play-off is necessary it will be played on Sunday, June 24.

Washburn and Woods Signed For May Third

In a match which may outshine the three preceding chapters of the wrestling elimination tournament sponsored by the Veterans of Foreign Wars, George Washburn, 175 pound bone-crusher of Portland, will meet Sailor Jack Woods of Medford in the main event of a wrestling card at the old Mills building on May 3.

The match will be the first in the new wrestling auditorium in the Mills building which is being renovated for this purpose.

Woods, of course, needs no introduction to Klamath fandom. He has featured in two of the last three wrestling bouts, winning from Henry Burke, Pelican City, and from Bull Montana, Hollywood screen star and wrestler.

But this man Washburn does need introduction: He says he's from Portland, but, in reality, he's from the corn belt, where all the famous wrestlers are born and bred. Washburn, so report has it, has been unable to break into the Portland game. He's a bit too good and may upset the standing of Thye, Karasick, Higami, Burns, and the rest of them. So after waiting for months for a series of bouts, he has decided to break into the Klamath wrestling game. If he gets over Woods, he will be given a match with Al Karasick on the next fight card.

Both Woods and Washburn are light heavyweights. The remainder of the card includes Young Kid of Klamath Falls vs. Thurman Jackson of Chiloquin, Harold Nellows of Klamath Falls vs. Briggs Johnson of Chiloquin, and a newboy special, Ray Dugman vs. Lynne Propert.

Tickets will be \$2 and \$1.50; ladies and students, general admission, 75 cents. Tickets will be sold at the Mecca, Waldorf, Rex and Smoke pool rooms.

At The Liberty

"The Enchanted Island," a Tiffany production, was the feature attraction shown here for the first time yesterday at the Liberty theater. As stated in the announcement, it is one of the most unusual pictures of the year with a story that holds one breathless from the very beginning to the terrifically dramatic finish.

The story tells of a man and his young daughter who returning from Australia on a boat also carrying the animals of a circus, are wrecked and find themselves on an island with many of the trained circus animals who were able to swim to shore. For many years the young girl finds the island of enchantment a thing of joy and beauty until the advent of three men who are shipwrecked, among them being a young and handsome American. The father fearing for his daughter on account of the brutish mate who is one of the castaways, disguises her as a boy. This is kept up until by accident the hero discovers her sex. A battle for the possession of the girl and the destruction of the island by the eruption of a volcano are some of the dramatic highlights in the picture.

NOTICE TO THE PUBLIC.

I am a candidate for county commissioner of Klamath county on the democratic ticket in the May primary. If nominated and elected, I will serve the voters and taxpayers to the best of my ability. I have served on the county fair board the past three years and have had considerable experience in county affairs. Taxpayers need not suspect that I have pledged myself to any one faction, but if elected will deal fair and just with all, as I have in the past 10 years that I have lived in Klamath county.

At The Pine Tree

With a cast headed by George O'Brien and Lois Moran, Fox Films' "Sharp Shooters," which opened last night at the Pine Tree theater for a two-day run, is a production instilled with comedy, drama and romance enough to please any type of fan.

It is from an original story by Randall H. Paye and revolves around a young dancing girl in French Morocco and an American gambler. From there the action goes to the New York East Side, where Lois follows George. It is only after a series of dramatic incidents in a bootlegger's dive that George finally realizes his great love for the girl.

Both O'Brien and Miss Moran are splendid in their respective roles. George gives his best in spontaneous comedy and Miss Moran is always lovely in her shaded dramatic work, drawing sympathy from the most critical fan.

Tom Dugan and Noah Young as the comedy relief are splendid as the sailor buddies of O'Brien. Nancy Carroll adds to her laurels as the girl from the East Side and William Demarest is a splendid heavy.

J. G. Blystone directed the picture and is to be commended for making the best of every situation, making it a smooth running picture filled with interest in every scene. Marion Orth wrote the scenario.
