

EQUIPMENT OF TENNANT PLANT IS INCREASED

Two G. M. C. Trucks Are Shipped to Long-Bell; News Notes

(Special To The Herald) Mrs. O. O. Wingfield, Correspondent

TENANT, May 1.—The Long-Bell Lumber company has just received two large G.M.C. four-wheel dump trucks which were delivered from San Francisco to be used at the steam shovel in the woods by the railroad grading crew.

The Wednesday night "500" club met this week with Miss Isabel Goldman who was assisted by Loren Salisbury. Three tables of "500" were in play during the evening. Mrs. C. C. Marshall won the ladies' first prize and Mrs. C. D. Brown the consolation; C. C. Marshall won the gentlemen's first prize and Mrs. C. D. Brown the consolation. Dainty refreshments were served at the close of the play.

Mrs. C. W. Murphy entertained the members of her immediate family Saturday evening at a delightfully appointed dinner party. The occasion being her husband, C. W. Murphy's birthday. Mr. Murphy is our genial camp superintendent. We are not prepared at this time to tell his exact age, but we do know he has been in the logging game for over 40 years and knowing he must have been at least 20 when he started, we can come within a few years, but we do know that Mr. Murphy is still a young man.

A social event of the week was the afternoon party given by Mrs. O. O. Wingfield at her home on C street Wednesday afternoon. In the advertisement guessing contest, Mrs. Geo. C. Howard won first prize; Mrs. M. H. Crane the middle prize and Mrs. Clay Parker the consolation. The 12 ladies present were: Mesdames R. B. Hawkins, H. J. Templeton, J. Sandie, Clay Parker, M. H. Crane, H. J. Rottman, C. W. Murphy, Geo. C. Howard, J. H. Frasier, C. A. Marshall, J. McMichael and the hostess, Mrs. Wingfield served delicious refreshments.

President Osenbaugh of the Chico State Teachers' college was in Tennant Wednesday and addressed the high school students. His talk was so inspiring that the students were all eager to go on to college after finishing high school. A number of the parents and townspeople enjoyed his talk also. President Osenbaugh was accompanied by A. G. Grant, superintendent of high schools in Siskiyou county, Mrs. Grant and Mrs. King, all of Yreka, Calif.

The ball games Friday afternoon at Tennant between the high school girls and boys of Macdoel and the high school girls and boys of Tennant resulted in a victory for the Macdoel boys and the Tennant girls. The score for the girls' teams was 15 to 8 in favor of the Tennant girls.

Mrs. L. O. Prosty left Saturday for Portland, Ore., for a few weeks visit with her daughter.

Mrs. Dale Beeson returned Saturday from a two weeks' trip. Mrs. Beeson and her sister Mrs. C. H. Foster of Klamath Falls visited relatives and friends at Oakland, San Francisco, Richmond, Iron Mountain and Dunsmuir, having had a wonderful time.

Henry Clark of Mt. Shasta City, Calif., visited at the home of his mother, Mrs. J. O. Miller, the first of the week.

FAREWELL, OLD SIX-SHOOTER!

Dorothy Dwan is to Play Lady in "Virgin Queen"

By DAN THOMAS
NEA Service Writer

HOLLYWOOD, Calif., May 1.—From "horse opera" to Queen Elizabeth's court is the step that has been taken by Dorothy Dwan, one of moviemaking's younger artists, "Horse opera," by the way is Hollywood's term for a western film.

For thousands of feet of film, Dorothy rode horses, waved a six-shooter and did everything else that a high-class cowgirl should do. She was Tom Mix's leading lady in five pictures—and Tom likes his leading ladies to leap about.

Dorothy has discarded her sombrero and riding boots for the time being in favor of the fifteenth century gowns of Queen Elizabeth's court. She is playing Sir Walter Raleigh's wife in "The Virgin Queen," a technicolor film depicting a part of Queen Elizabeth's life.

Mrs. Dwan's mother, who is also her press agent, writes:

"Dorothy Dwan has been signed for the leading role in 'The Virgin Queen,' a technicolor film. The blue in Dorothy's soulful eyes will remain and the red gold can no longer be taken from her hair by the merciless camera. Her perfect features will be seen with their matchless coloring in the story of Queen Elizabeth."

The highest compliment that can be paid Dorothy is that she doesn't believe these things that her mother says and writes about her. As a matter of fact, Dorothy is actually quite a human sort of a person. She knows that she is attractive of course—few pretty girls don't. But she keeps that knowledge to herself.

"I want to get away from westerns," Dorothy told me. "These 'horse operas' are a good place for a girl to get started, but there is no future in them, except for the men."

"Then, too after having played with Tom Mix, I would feel that I was taking a step backward to play with any other western star. And since Tom is going to Argentina to make his next few pictures, he's out of the question."

The prohibition enforcement department issues a statement that Kansas City and Houston will be dry in June. Believe that and you can believe anything.

The Daughters of the American Revolution have put William Allen White on the blacklist. How does one go about getting on that list, does anyone know?

Dorothy Dwan has laid away her trusty six-shooter to play the Lady

At The Liberty

While many believe that the days of the underworld are no more they have but to read the metropolitan papers carefully to realize that in all the larger cities there is the same underworld life today that there was years ago and the same snares set to catch the innocent and unsuspecting youth. "The Girls of the Underworld," which has been booked for two days at the Liberty theatre commencing today is a picture which, while daring in its theme, is powerful in moral.

There are several principal characters among which are two innocent girls who fall into the clutches of an unprincipled youth, sowing his wild oats. Prudish parents too modest to inform their daughters of vital facts, are shown to be, in a measure, responsible for the trouble in which their children become involved. Owing to the

many delicate situations in the picture, afternoons are for the ladies only while evenings are for men only.

At The Pine Tree

"The Del Rius Four" in a "Spanish Dance Novelty" is the outstanding attraction at the Pine Tree theatre today and Wednesday. This act consists of four talented artists who not only dance but also have several novelties to offer.

The other four acts on the bill are of standard quality and the show should please one and all. On the screen "The Lily" starring Belle Bennett.

Through an oversight the name of the Klamath Furniture company was omitted from the listing of firms taking part in the Pabco parade yesterday as well as from the dealer listing in the company's advertisement.

An Investment for the Future —a Six of Long Life and Advanced Design

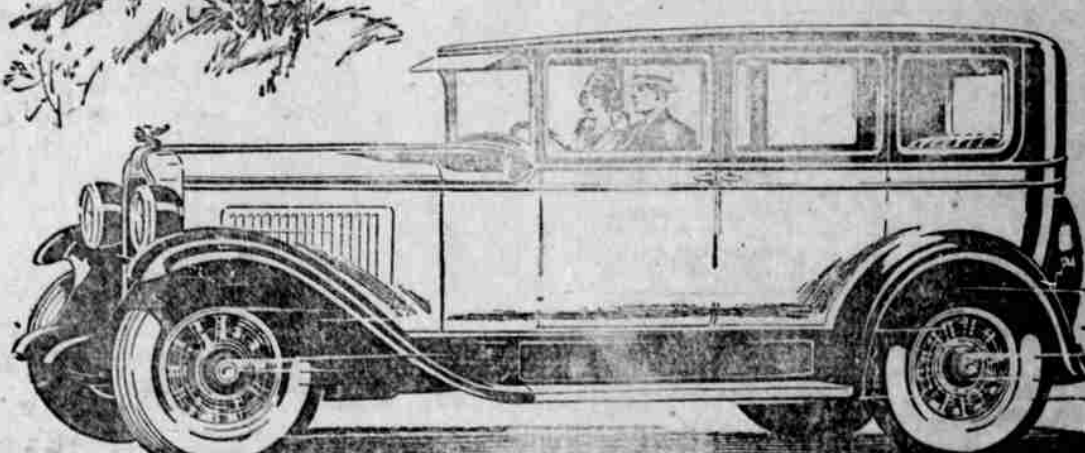

Judged by even the most critical standards, the New Series Pontiac Six is months—even years—ahead of its field. Its style is the height of fashion—achieved with low, graceful, modish lines—emphasized by magnificent new bodies by Fisher.

Its big, economical motor has the G-M-R cylinder head, for smoothness, power, snap and speed. It introduces the cross-flow radiator into the low-price field for elimination of engine cooling cares. It has every other really worthwhile feature that progressive

engineering has devised! And in addition, it has that great fundamental which has been the basis of Pontiac's ever-growing success—the great fundamental of long life!

As a result the Pontiac Six will continue to assure owners a resale value which is the marvel of the industry. When you buy a Pontiac Six you know you are getting—not only a car that is new today—but a six so advanced in style and engineering, so famous for long life that its inherent value will always be consistently high!
