

PARTY HONORS TWO TEACHERS

News Notes of Tennant
Told by Herald Cor-
respondent

(Special to The Herald)
(Mrs. O. O. Wingfield, cor-
respondent)

TENNANT, May 29. — Com-
menting two of the school teachers,
Miss Isabel Goldman and
Miss Carrie Regar, Mrs. O. O.
Wingfield was hostess at a de-
lightful party on Saturday after-
noon at her home on C street.
In the "number in the squares"
contest, Miss Carrie Regar took
first prize and Mrs. J. E. Mc-
Connell second. The first prize
in the flower contest was awarded
to Miss Goldman. Mrs. Harry
Baughn, held the consolation.
Dainty refreshments were served
by the hostess. Those who en-
joyed the afternoon were: Miss
Goldman and Miss Regar, the
honored guests, and Mesdames De-
la Goldman, Dale Beeson, Harry
Baughn, W. D. Vance, John
Friend, J. E. McConnell, P. L.
Thompson, Walter Williamson,
George Murphy, Misses Dorothy
and Pearl Murphy, and the hos-
tess, Mrs. Wingfield.

The ladies of the Wildwood
Guild had a cooked food, apron
and home-made candy sale Fri-
day afternoon and evening in the
church building. The apron booth
was in charge of Mrs. C. W. Mur-
phy, Mrs. Lillie Mackay and Mrs.
J. L. Snyder; the candy booth,
Mrs. Herbert Nesbitt and Mrs.
P. L. Thompson; and the cooked
food, Mrs. M. H. Crane and Mrs.
O. O. Wingfield. The ladies
cleared about \$80.00.

Mr. and Mrs. A. W. McLeod
and children left Saturday morn-
ing by auto for a few weeks out-
ing at Long Beach, Calif.

Born, Friday May 18th, in the
Tennant hospital to Mr. and Mrs.
Gust Johnson, a baby girl.

J. J. Hall left during the week
for Riddle, Oregon, where he
had the misfortune to lose a big
barn, hay and some fine stock
by fire. The origin of the fire
was not learned, probably by
some careless wandering knight
of the road.

William Corey visited Sunday
at Butte Falls, Oregon, the guest
of Mr. and Mrs. Merle Bratton.
Louis McCann left Monday for
Ukiah, Calif.

Mr. and Mrs. Matt Sheppard,
who made the trip to De Ridder,
La., by auto some weeks ago, re-
turned Thursday evening driving
a new Willys-Knight car. Mr.
and Mrs. Sheppard had a won-
derful trip, but were glad to get
home again. Mr. Sheppard is
one of the clerks at the Ten-
nant Mercantile store.

C. W. Murphy, camp superin-
tendent, made a business trip
during the week to Portland and
Longview, Wash.

The school grades closed Fri-
day, May 25th, but the high
school has one more week.

Thursday the primary grades
were given a picnic on the ball
grounds and treated to all kinds
of eats, which only small chil-
dren can do complete justice to.
They ate, played games, romped
and enjoyed themselves the whole
day long, with some of the teach-
ers and mothers as chaperones.

The school exhibition this year
was far above the average. The
domestic science class, with Miss
Carrie Regar as teacher, had a
splendid display of all kinds of
sewing and fancy work. The art
display under Miss Isabel Gold-
man showed a great deal of art-
istic ability in their drawing and
water colors. Also Miss Gold-
man instructed a class in man-
ual training, and the little chairs,
animals, chests, dressers and
many other articles, all made of
wood, designed and colored, were
real works of art.

Mrs. Della Goldman's eighth
grade school pupils were gradu-
ated Wednesday afternoon. The
exercises taking place in the
school auditorium. A nice pro-
gram was enjoyed by a goodly
number of the school parents
and patrons.

The graduating class included
Hazel McDonald, Lenora King,
Clara Kincher, Evelyn O'connors,
Gwendolen Sellers, Gladys Gra-
ham and Russell Marshall. Mrs.
Goldman, with a few well chosen
words, presented the class with
their diplomas.

**PROTEST MADE
BY MUSSOLINI**

ROME, May 29. (AP)—Premier
Mussolini has directed the Italian
minister in Belgrade to present
a note of protest against recent
attacks upon Italian consulates,
asking for "urgent satisfaction."
The Jugo Slav government al-
ready has assumed the Italian
legation that it has given the
sternest instructions to police and
troops to prevent a repetition
of the recent demonstrations and
to protect the Italian consulates
and private property.

Mrs. Holloway Will Sing at Local Church

In planning the program for
her farewell recital at the Pres-
byterian church Thursday eve-
ning of this week, Ruth Akers
Holloway, well-known young so-
prano of this city, has selected
numbers with a wide range of
appeal.

Only one group will be sung in
foreign language, because the
singer prefers that her audience
understand to the fullest the
songs she will render. This
group will be sung in Italian and
is composed of "Nina" and "Cara
Selve," two of the widest known
and best loved Italian songs in
all musical literature.

The balance of the program is
nicely rounded off with songs of
composers famed for the beauty
of their compositions. Songs of
many American composers will
be used, with encore numbers of
unusual delight. A group of ever
lovable old-time airs will con-
clude the evening of rare musical
entertainment, which marks Mrs.
Holloway's last musical appear-
ance in this city before leaving
for the east to study voice.

Because of the rapid develop-
ment of Lakeview and Lake
county, E. S. Martin of the Mar-
tin Brothers flouring mill of this
city is anxious to seek a new
market for the products of the

now under way between the two

Lakeview transacting business.

with the class. The Klamath
Falls party is making the trip by

At the Orpheus

Those who take in "The Warn-
ing" which opened at the Or-
pheus theatre Sunday are in for
an exciting two hours. The ac-
tion starts with the first flash
and from then on mystery, sus-
pense, thrills and two-titled ac-
tion follow one another in such
rapid succession that the audi-
ence is fairly panting for breath
before the final fade-out.

"The Warning" is not without
its lighter moments, however, for
there are pretty love scenes be-
tween Jack Holt and the charm-
ing Dorothy Revier together with
a certain amount of by-play
which relieves some of the ten-
sion and keeps one from jump-
ing out of the seat in sheer ex-
citement.

First Train Greeted—

The first regular standard
gauge train which arrived in
Lakeview on Sunday was greet-
ed with a fitting welcome. Mayor
O. C. Gibbs arranged for the
blowing of the sirens as the
train approached the city. Much
interest was shown by people
throughout the Lakeview dis-
trict on the entrance of the first
train.

Shearing Is Begun—

Shearing of Lakeview wools
has begun in earnest and within
the next month more than 200,
000 fleeces will be shorn from
Lake county sheep alone. Qual-
ity of the wools this year are
said to be excellent and the clip
promises to be heavy. The aver-
age for the clip, it is thought,
will be above 8 pounds, making
the total production more than
a million and a half pounds. For
the past two weeks the plant of
Ward Brothers has been operat-
ing in this vicinity, and a num-
ber of other plants will be in
operation within a few days. The
plant at Mud creek will be run
again this year by Denis Donovan.
