## "It Just Happens"

says Edna Wallace Hopper, "that your shoulders, for convenience and custom's sake, are covered. And how fine the texture of their skin!"

Your face must be the harbor for innumerable specks of dust and soot, lashed by the wind—treated harshly day in and day out. So if you thoughtlessly attempt to clean it with soap and water, ugly, large pores, sooty roughness result.

Your face is entitled to the best of care. It's even easier than the hit-or-miss method of washing, which places additional tax on an overburdened skin.

"My French Liquid cleanser, which I call Facial Youth, goes to the depths of your pores, gently, actually undoes the dirt and soothingly undoes the harm of the wind and dust. It has a fresh, clean scent and is by far the best method I know to protect and cleanse the face. Get Edna Wallace Hopper's Facial Youth at any toilet counter, 75 cents."
