All-American Design Is Advanced Design.. For Example -

General Motors Research Laboratories, Oakland engineering staff. General Motors Proving Ground. All working toward one end. Little wonder that All-American design is advanced design.

For example... it embodies the G-M-R cylinder head. It offers a whispering brute of an engine... 81 lb. crankshaft... AC fuel pump. Features combined in no other six of similar price.

When you buy an All-American Six you buy the product of three great engineering agencies devoted to progressive design. And you profit time and time again. In satisfaction... in consistent high value in justifiable owner pride.

London Coupe, \$1065; Sport Roadster, \$1075; Phaeton, \$1075; 4-Door Sedan, \$1145; Cabriolet, \$1155; Landau Sedan, \$1265. New Series Pontiac Six, \$745 to \$875. All prices at factory. Check Oakland-Pontiac delivered prices—these include lowest handling charges. General Motors Time Payment Plan available at minimum rate.
