YANKEES SCORE WIN; ATHLETICS ARE SET BACK

New York Takes New Lease on Life; Pirates Win Sixth

(BY THE ASSOCIATED PRESS)

The Yanks managed to maintain their lead in the American League percentage table by scoring a 6 to 3 victory over the Chicago White Sox yesterday after a first-inning rally of five runs clinched the verdict. Ted Lyons was the victim of the Yankee assault. Pennock occupied the mound for the New Yorkers.

Beating the Brooklyn Dodgers in both ends of a double header, 4 to 3 and 3 to 2, in 12 innings, the Pirates ran their latest winning streak to six in a row. Grimes registered his 20th victory in the opener, the first pitcher in the majors to reach so high a total.

The nightcap was a pitching duel between Fred Fitzell and Doak, until the eighth when both retired for pinch hitters.

The New York Giants cut a full game from the St. Louis Cardinals' lead by trouncing the league leaders, ten to one.

Larry Benton was too much for the Cardinals who got only six hits and were shut out until the ninth.

The Phils again trimmed the Cubs, 4 to 2 behind the effective pitching of Willoughby, while Connie Mack's Philadelphia Athletics were bowing to Detroit, 4 to 1.

The A's defeat left them four and a half games back of the leaders. Owen Carroll, former Holy Cross star, pitched his 13th victory of the season for the Tigers.

Two home runs by Lou Blue enabled the St. Louis Browns to make it three out of four from the Boston Red Sox, 6 to 5.

Sad Sam Jones kept Cleveland in subjection and the Washington Senators whitewashed the Indians, 8 to 0.

FOXY PHANN

It takes nerve to be a golfer but it takes more nerve to dress like most of them do

Fans To Pick Outfielders On All Star Team

By AL DEMAREE
Former Pitcher New York Giants

I present today a ballot to determine the fans' choice for the all-star outfield of the National and American leagues.

The outfielders are a very important part of any championship team in spite of the fact that Christy Mathewson used to claim that "they ought to pay to get in the ball park."

In previous ballots I have presented opportunity for the fans to designate the best infield and pitching staffs in the big leagues. It is becoming generally recognized that the fans are the real students of baseball. Even the players themselves are stumped at the expert knowledge of the fellows who only sit in the bleachers and cheer. A fans' all-star team usually coincides practically with those selected by the baseball writers, or by great stars like Ruth and Hornsby.

I know that I for one, at least, will be mightily interested in the result of this poll. I am only sorry that somebody didn't stage one in my playing days, so that I could have had the opportunity of learning how I stood with the fans, who are the keenest and closest critics of the game.

GERMANS CHEER U. S. ATHLETES AT TRACK MEET

Yankees Show Metal in Competition with Picked Team of Foreigners

COLOGNE, Germany, Aug. 8. (UP)—Ten thousand people here last night cheered members of the championship United States Olympic track and field team. The Americans, guests of the municipality here, competed with a picked team of German stars.

Charles E. Borah, Los Angeles, won the 100 meters dash in 10.7 seconds, after covering the same distance in 10.4 seconds during the preliminaries. Jonath of Germany was second and Henry Russell of Philadelphia, was third.

Russel won the 200 meters dash in 21.6 seconds, defeating both Jonath, second, and Koernig, the German champion, third.

In the 500 meters run Lloyd Hahn, Boston, was first, covering the distance in 1 minute, 52.4 seconds.

Leighton Dye, Los Angeles, was first in the 110 meter hurdles. His time was 15.2 seconds.

John Kuck, Los Angeles, holder of the world's record for the shot put, was bested at his favorite event by Hirschfeld, the German champion. Hirschfeld threw the iron ball 15.64 meters to 15.14 meters for Kuck.

Clarence Houser, Los Angeles, Olympic discus champion, fared better than Kuck. His throw of 46.39 meters was nearly two meters beyond that of Eric Kranz, Leland Stanford University, second.

Charles McGinnis, Chicago, was first in the pole vault, crossing the horizontal bar at 4.08 meters. Robert W. King, Los Angeles, failed in his attempt to high jump two meters but his leap of 1.96 meters was good for a first place.

Edward B. Hamm, Atlanta, won the broad jump. His distance was 7.5 meters.

America won the 400 meters relay with a team composed of Hamm, Fred Alderman, Chicago; Borah and Russell. The time was 41 seconds, tying the world's record.

TROLLEY JUMPS TRACK; CRASHES AGAINST STORE

PORTLAND, Ore., Aug. 8. (A. P.)—Running away backwards down a hill, an empty Fulton street trolley car dashed at high speed fourteen blocks and jumped the track early today, crashing into a store. The car was said to have started while the motorman, H. B. Ford, was on the ground adjusting a switch. The car missed a group of Southern Pacific track workers on a crossing and ended its dash in the front of Friedman Bros. store, 1460 Virginia street.

LA BARBA WINS FROM E. MASTRO

Retired Flyweight Champ Outboxes Slugging Little Man

LOS ANGELES, Aug. 8. (UP)—Fidel La Barba, who retired a year ago as flyweight champion, last night easily took a decision from Earl Mastro, who substituted for Bud Taylor.

Taylor was injured in a bout with Santiago Zorilla.

La Barba was too strong for Mastro and outboxed him all the way.

La Barba took seven of the ten rounds and two were given to his foe. The tenth round was declared a draw.

Mastro, renowned as a slugger, was unable to deliver any of his powerful blows with telling effect. La Barba managed the fight and elected to box. He outboxed Earl and had little difficulty in keeping away from the dangerous mits of his opponent.

Billy De Foe and Ben Golden battled six rounds to a draw in the semi-windup.

Joe Woods took a decision from George Trenkle in their six rounds and Luis Mays won from John Marak.

HERALD CLASSIFIED ADS BRING RESULTS

SENATORS NOW TIED FOR FIRST; BEAT BEAVERS

Lowly Portland Nine Licked Soundly by Sacramento

(BY THE ASSOCIATED PRESS)

Continuing a winning streak while the stars suffered lapses in the victory columns, the senators climbed into a tie for the league leadership by defeating Portland 7 to 0. Brilliant pitching by Vinci proved too great a strain for the beavers, six of whom were fanned. Only one was scessful enough to get as far as third. Batteries: Vinci and Severeid; Ortman and Whitney.

Three pitchers left the Hollywood mound when the Angels put over a batting barrage of 15 hits including three homers to win 15 to 3. A nine run broadside in the eighth completed the ruin of the stars after the angelenos had led all the way.

Batteries: Peters, Chesley and Warren; Schellenbach, Murphy, Mulcahy and Agnew.

Harry Krause, mission pitcher, held the seals to 11 hits to contribute another victory to the bells, 7 to 5. Only one hit off Krause proved costly, the homer of Smead Jolly in the fifth with the bases full.

Batteries: Krause and Baldwin; Bails, Moudy, Jones and Sprinz.

The Indians failed to catch up with Oakland after the Oaks had grabbed an early lead, and Oakland won, 9 to 6.

Battries: Boehler, McAvoy and Read; Edwards, House, Teachout and Borreani.

WORLD RECORD IS BROKEN BY SPEEDY CRAFT

LONG BEACH, Calif., Aug. 8. (UP).—A new speed boat record was established today when Frank H. Robertson of Houston, Tex., piloted his hydroplane, "Miss Houston IV" at an average speed of 57 miles an hour.

The test was in time trials of the Southern California Yachting Regatta and was made in six trips over a measured mile course.

The "Miss Houston IV" made a maximum speed of 58.63 miles per hour. The former record was 53.43 miles per hour.

Who remembers the old days when ladies used to faint instead of swearing?

Jack Crilley, Nails Gorman Fight to Draw

Amid a flurry of fists and to the tape of cheers from a capacity house, boxing came back to Klamath Falls with a vengeance last night. Suffering from the stains of shady fights in the past, it has taken the fight game several years to stage a recovery.

Now, to the fight: Jack Crilley, San Francisco behemoth, and one of those boys who picks knock-out punches in either fist, and Nails Gorman, clever, sturdy and tough, battled ten heroic rounds to a draw in the main event of last night's boxing card held at Veteran's hall.

It was a battle dear to the heart of the true fight fan. Each fighter had a deadly right hand cocked for a knock-out punch. Once Gorman went down for a long count, but arose in a fury and outpunched Crilley thereafter. After the fight it developed that Crilley had broken his thumb in the second round. Despite the injury, the tough San Francisco boy continued to fight a tough and stubborn battle throughout.

Gorman was outweighed 15 pounds.

Johnny Francis of San Francisco knocked out Jack Davies of Chiloquin after one minute and 35 seconds of fighting in the first round. He crowded Davies into a corner and crashed a short right to the jaw for the kayo punch.

Cliff Hottinger lost on a foul to Terry Frost in the special event. Chief Wilson defeated Russle Howard in the four round preliminary.

Three collegians—Hester of Michigan, Pickhard of Pittsburgh and Edwards of N. Y. U.—are participating in the Olympic games this summer for Canada.

PORTLAND VICE SQUAD SWOOPS DOWN ON DIVES

PORTLAND, Ore., Aug. 8. (AP).—Police vice division operatives swooped down upon dealers in alcoholic beverages last night and as the result 12 persons, three of them women, faced trial in municipal court today on charges ranging from vagrancy to sale, possession and manufacture of liquor.

Press *the* Pedal *and oil your car*

Motor cars of high price, *such as the Rolls Royce,* prize Bijur centralized chassis lubrication as an invaluable feature.

Nash, at moderate price, has it as standard equipment on all "400" Advanced Six Models.

Bijur operation is simplicity itself—and it is invariably efficient regardless of changes in temperature.

There's a lever conveniently placed for your left toe at the floor board.

Simply depress it once and 21 points are automatically oiled, including all spring shackles.

Bother and expense of service station lubrication are eliminated.

Wear at vital chassis points is avoided.

Annoying squeaks and groans are stopped before they start.

The world has a new and finer motor car, with features of excellence hitherto found only on very costly cars. Bijur Centralized Chassis Lubrication is one of them.

NASH "400"
