Think of the nuisance it will be when you have to move two or three times this winter, when you may have to do unless you get a home of your very own. We have some right now that may be bought at bargain prices at a very small down payment and balance like rent. For instance, \$250.00 down buys a good home of 4 rooms and bath on pavement; balance easy.

\$2150 buys a good 4-room home, completely furnished, lot 50x150, close to school. This home is practically new and worth much more than we ask.
