Byrd Expedition Takes Brookfield Butter!

Commander Richard E. Byrd knows the value of good food as a builder of strength and morale. His staunch steamships, the City of New York and the Chelsea, bound for the South Pole are carrying many products of Swift & Company.

Brookfield Butter, creamery fresh, is part of the precious cargoes—a sufficient supply for the band of hardy scientists and the crew during their long sojourn in the Antarctic.

Other Swift & Company products that will add pleasure to the meals aboard ship and on the icy wastes are:

Premium Frankfurts Pork Loins
Calf Liver Ox Tails Pigs Feet
"Golden West" Fowl Turkeys

Brookfield Butter is made in selected dairy regions and delivered to all parts of this country by quickest routes possible—fresh from the churn!

Thus the producer is furnished a daily cash market for his butterfat and the Swift nation-wide system of distribution assures consumers everywhere of fine creamery fresh Brookfield Butter as well as other Swift food products.
