"Progressives"

A CIRCUIT judge has decided that "Progressives" in Oregon politics are defunct and the name cannot be used. This rings the death knell to Candidate Culbertson's aspirations to congress in the Third district. An attempt was being made to do some "three-shell" game work in the district when the democrats had a hand-picked bunch who call themselves "Progressives" and nominated Culbertson. It was apparent that by this tricky method a cluster of voters who still cling to the name would vote for Culbertson and against Franklin Korell. A just and fair judge has decided that the "three-shell" game must remain at county fairs and street fairs and that it shall not enter Multnomah county politics. Now, Mr. Culbertson must depend upon his affable, hand-shaking ability to hypnotize voters into his support. He is quite good at it but no man has sufficient time to gain personal contacts that will win an election on that basis. The decision knocks the last prop from Culbertson structure.

Harry Culver, Flyer

IN his airplane Harry Culver, founder and owner of Culver City, California, will arrive in Klamath Falls and speak for Hoover and the republican ticket. He comes in his air chariot; quite different from the way Charlie Curtis campaigned the old First district in Kansas when he sought the congressional nomination years ago. Charlie used the old black mare and a rickety buggy. Culver's trip is modern. This is the day of getting there quickly, and the fact that he arrives in this city in his airplane adds to preponderance of evidence to the on-moving world.

All sane people will agree with the Legion that, should wars again come, the universal draft is right. Not only the universal draft of men, but the universal draft of wealth and substance of the entire nation and every citizen should prevail. That will have a fine influence on keeping us out of war.

It looks as though the thug element was invading Klamath Falls. One woman was beaten up and a Chinaman was knocked over recently. If the winter crime wave is starting this early it behooves every citizen to keep a careful watch on the strangers within our gates.

Governor Patterson has been traveling in California. He became interested in the sister state and did not return in time to attend the big game at Eugene last Saturday.

Several posts have been set for a fence on the dangerous curves of the Green Springs highway. We presume large bodies move slowly in making improvements that are intended to save human lives.

And still some bootleggers seem to flourish, even though a raid is now and then reported.

FUNERAL NOTICES

THELMA JUNE MORELOCK

Thelma June, the infant daughter of Mr. and Mrs. Herbert Morelock, residents of the Mallin district, entered into rest in this city Tuesday evening at 6:30, her death terminating a brief illness. The remains have been entrusted to the care of the Towey mortuary, Pine avenue at 8th street, where friends will be welcome to call and pay their respects to the memory of Thelma June, who is at repose in the baby nook. Funeral notice will be announced later.

NAVA IS BOUND OVER TO JURY

Mike Nava was bound over to the Klamath county grand jury yesterday by Justice of the Peace W. B. Barnes on the charge of stealing a suit of clothes from D. Espinosa. Nava is accused of having sold the suit to A. Henderson for \$2 who, originally, was arrested on the charge of theft. Nava was unable to raise the \$500 bond placed by the justice of the peace.

C. B. O'DONNELL HELD IN SOUTH

According to word received today by Constable Gary Cozad, Charles B. O'Donnell, accused of larceny by baillee, has been arrested in California and will be brought back to Klamath Falls to face charges.

U. BALLENTINE TOSSES IN HAT

Petitions were in circulation today seeking to secure qualification of U. S. Ballentine, Klamath Falls attorney, for the office of police judge.

Mr. Ballentine is a member of the legal firm of Napier and Ballentine and formerly was deputy district attorney where he handled some of the state's principal criminal cases. Recently he resigned from the prosecutor's office to undertake a private practice.

His petitions must be filed by tomorrow night at 5 o'clock if he is to qualify for the office.

Fremont Grid Team Wins by Single Point

In a closely contested game, the light Fremont Junior football team defeated the heavier Riverside team with a score of 13 to 12 on the Mills field Tuesday afternoon in the inter-school football contest. This was the first game of the season and keen interest by the opposing schools was shown.

Fremont took the lead at the opening of the game, when Bob Leslie, Fremont captain broke away for a 50 yard run and a touchdown. Fremont failed to convert the goal.

Riverside soon followed with a touchdown. Roy Sherlock carried the ball over. Riverside failed to convert the goal.

Bob Leslie again scored for Fremont. Gail Newsom kicked the extra point making the score 13 to 6 for Fremont.

The first half ended with a score 13 to 6 for Fremont. Riverside started out the second half with a run, scoring a touchdown by a long pass to Irwin Grubbs from Ray Shepley. Riverside failed to convert the goal making the score 13 to 12 for Fremont. Riverside again threatened to score just before the final whistle but Fremont held for downs.

The game marked the opening of the inter-school Junior football league.

Friday afternoon at 4 o'clock the Fremont senior team will meet Mills Senior team on the Mills field. Saturday morning at 9:30 the Mills Junior team will meet the Fremont Junior on the Mills field.

FOX RESIGNED TO HIS FATE

(Continued from Page One)

Heaven, and on earth good will toward men.

"William Edward Hickman, No. 45041."

Hickman, sentenced to die Friday, October 19, sat up late last

night writing letters. These were chiefly to a few friends and to those who have sent him "fan mail." He did not write to his mother or father. Some of the letters seemed to trouble him, as he tore them up after writing them, guards said.

The condemned man has received hundreds of letters from admirers, sympathizers and those who condemn him. This mail is censored, however, and the most violent letters are not given to him.

In his cell is a portable phonograph, and he spends hours a day listening to jazz music. He has received many records through the mail.

What a Rexall One Cent Sale Is

It is a sale where you buy an item at the regular price, then another item of the same kind for one cent. As an illustration: The standard price of Klenzo Dental Creme is 50c, you buy a tube at this price and by paying 1 cent more, or 51 cents, you get two tubes. Every article in this sale is a high class standard piece of merchandise, just the same as is sold every day at the regular price.

This sale was developed by the United Drug Company as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you a full size package of high standard merchandise for 1 cent. It costs money to get new customers, but the sacrifice in profit is justified, knowing the goods will please you.
