SEALS CAPTURE 1928 TITLE IN COAST LEAGUE

Pennant Clinched by Smashing 9 to 5 Victory Yesterday

By RUSSELL J. NEWLAND
Associated Press Sports Writer

SAN FRANCISCO, Oct. 17.—(AP)—For the seventh time in the 25 years existence of the circuit, the San Francisco Seals are champions of the Pacific Coast league.

While 7,000 persons looked on yesterday, they clinched the pennant in a smashing 9-5 victory over Sacramento, played on the Senators' home grounds at Moreing park.

Yesterday's game was decided in the seventh inning when a Seal rally produced five runs on four hits and an error. It gave the San Francisco team a budge in the scoring column while the Senators could do nothing in the last three frames.

Roy Johnson, Fleet Seal left fielder started the fire works with a home run that sent Dick Moudy, pitcher, home ahead. Al Gould, starting on the mound for Sacramento and "Doc" Crandall who relieved him in the seventh were both knocked out in that frame.

The sixth contest of the championship play-off of the winners of the two halves of the split season decided the issue. San Francisco took a lead in the series three to two with a 15-3 win over the second half champions last Sunday. The game was played at San Francisco before a crowd of 13,500 persons.

Tremendous hitting on the part of the Seals, nearly using up the Sacramento pitching staff featured the series. The Seals pounded out 92 base hits for the six games while the Senators posted a total of 75.

Omaha Pug Gives Blood to Save Mother and Then Beats Opponent

OMAHA, Neb., Oct. 17. (AP)—After submitting to a blood transfusion early yesterday which may be the means of saving his mother's life, Freddy Penn, 18, Omaha fighter, stepped into a Council Bluffs, Ia., ring last night and in the last round of his bout knocked his opponent down four times, winning the fight.

Penn gave more than a half-pint of blood to his mother, who has been near death since Saturday. The transfusion cost Freddy precious poundage in his boxing match and he entered the ring 13½ pounds lighter than Clarence Berger, his opponent. Freddy's mother was reported improved today.

Don Williams Runs Wild In First 3 Games

LOS ANGELES, Oct. 17. (AP)—Don Williams, spectacular university of Southern California quarterback, and believed headed, even this early in the season, by many for an all-American berth, has chalked up a total of 377 yards for the three games he has played this fall. For this total he carried the ball 69 times, his average being 5.5 yards per play.

In Southern California's last game, that with St. Mary's here Saturday, Williams piled up 157 yards in 33 tries for an average of 4.7 yards per play.

Against Oregon State the week previous he accounted for 101 yards, an average of 4.6 yards per play, while, in the Trojans' opening game of the season with Utah State, the dynamic quarterback averaged 8.4 yards in 14 tries.

A man 72 has entered the freshman class at the University of Chicago. These wild lads must have their fling.

Hollow Heads Give Coaches Hollow Laughs

By AL DEMAREE
(Former Pitcher N. Y. Giants)

A football coach gets as many laughs as a baseball manager. Many of the comic situations are tragic at the time they are pulled but time takes away the sting and only the humorous angle remains.

Bob Zuppke of Illinois told me last fall of a big guard he once had who had all the physical qualifications of a great lineman. He had never seen a football until he reported to the squad.

"After he had been working out for a week I asked him how he liked to play football," said Bob.

"'Oh! I like the game fine,' he replied, 'but I haven't found out yet why the quarterback always calls out those funny numbers before every play'."

Pat Page of Indiana was telling me about a backfield man he once had who was green as grass when he reported.

"He was going so bad one day I had to jerk him," said Pat.

"As he came back to the bench, one of the players asked him what was the matter?

"'Oh,' nothing,' he answered, 'I just forgot my signals'."

J. DUFFY NOSES OUT VISTOR IN SLUGGING MIX

SAN JOSE, Calif., Oct. 17. (AP)—Jimmy Duffy, Oakland welterweight, and Eddie Dampier of San Jose last night slugged ten rounds and Duffy was awarded an unpopular decision. Dampier floored Duffy in the tenth round.

Emanuel Wins Decision Over Peter Lohman

PORTLAND, Ore., Oct. 17.—(AP)—Armond Emanuel, San Francisco heavy-weight, won a ten-round decision over Pete Lohman, Toledo, O., in the main event here last night. The Californian's superior boxing ability was mainly responsible for his victory over his rugged opponent. The feature of the card was the six-round semi-final between Salem's two fast featherweights, Teddy Fox and Eddie Graham. Fox' cleverness won him the decision. Battling Bob, Marshfield logger, went down and out in the second round of his scheduled six round bout with Sam Warren. Earl Beebe stopped Steve Gore with one punch in the first round and Sam Filby took the decision over Billy Breedlove in the other four-rounder.

DIVORCE EVIL IS DISCUSSED

(Continued from Page One)

ing toward solution of the problem were offered as follows:

"That our normal schools, colleges, universities and seminaries be asked to offer more instruction on the subject of human relationship especially on the subject of marriage.

"That the clergy of this church be urged to give training for marriage a conspicious place in their programs.

"That social service commissions be asked to give special attention to the whole problem of marriage and divorce."

The commission asked that it be continued "with the understanding that it cooperate with other agencies to secure a scientific study of the whole subject of marriage and divorce, including the study of the moral and religious factors; that the commission study and report to the next convention first, on the Ecclesiastical and Canon law of this church in relation to marriage, divorce, and the annulment of marriage and second, of the relation between civil and religious marriage."

The report enumerated a number of factors which social workers have noted as tending to strain the marriage relations. Among these were hasty marriage, the lack of children, sex tension and the frequent displacement of the home as the unit of family life.

The report said that some church men felt that the increase in divorce is due to the fact that the church did not take the "same firm stand that is taken by the Church of Rome in regard to the indissolubility of marriage. Conditions in Roman Catholic countries, however, are by no means reassuring, and studies of conditions in this country show that the desertion rate among so-called Roman Catholics is deplorably high."

DIRIGIBLE TO RETURN SOON

(Continued from Page One)

winds are counted on to speed the journey.

Dr. Ernst Brandenburg, German under-secretary for aviation in the ministry of transportation, who crossed the Atlantic on the Zeppelin said most of the passengers have reserved accommodations for the return trip.

Praise for the newest of trans-Atlantic liners was voiced by most of the passengers. One of the most enthusiastic was Count Brandenstein-Zeppelin, son-in-law of the originator of the rigid airship. He said he wished his father-in-law might have made the trip. He paid special praise to the ground crew at Lakehurst which handled the Zeppelin on her arrival there. "In all my experience with airships I never saw a great dirigible maneuvered with such skill," he said.

One exception to the list of enthusiastic passengers was Frederick Gilfillan, an American living at Lucerne, Switzerland, who was sick most of the way across as a result of being deprived of his tobacco. He is an inveterate smoker and said that he did not know smoking was forbidden until after he had scheduled his passage. Only the pleadings of his friends persuaded him to go through with it, he said.

Lady Grace Drummond Hay, the only woman passenger, had a good time, and wants to go back on the Zeppelin if she can make the necessary arrangements. She tended her own cabin on the way over she said, and was so busy with that and her writing that she had little time to become bored with the journey.

While their ship is being overhauled and the damage repaired Dr. Eckener and his crew will interrupt their round of festivities here to make a trip to Washington Friday where they are to be guests of the German ambassador.

FRANKLIN HIGH AND JEFFERSON FIGHT TO TIE

PORTLAND, Ore., Oct. 17.—(UP)—Fighting to a 7-7 tie, Jefferson and Franklin high schools opened the second week of play in the Portland interscholastic gridiron race Tuesday afternoon.

Jefferson outlayed Franklin at stages of the game. Jefferson scored early in the second quarter while Franklin made its seven points in the latter part of the same period. Newguard of Jefferson kicked the extra point after Miller had scored and Hildreth knotted the score when he successfully booted the pigskin through the uprights after Messenger's touchdown.

DOG'S MASTER ASKS COUNCIL TO STOP FIGHT

DETROIT, Oct. 17. (AP)—A dog's master assumed the role of faithful friend last night and appeared before the city council of Wyandotte, a suburb, with a plea that his dog be protected from "Lickings" administered by a neighbor's dog.

The plea was made by John Campocli, who explained that his dog is ten years old and no match for his neighbor's younger Canine.
