EX-CLERGYMAN SENT TO JAIL

PORTLAND, Ore., Dec. 21. (AP)—Arthur Clowe Baer, 49, former Methodist minister at Livingston, Mont., pleaded guilty in Federal court here today to violation of the Mann act, and was sentenced to 13 months in McNeil Island prison.

Baer was arrested here October 13, charged with bringing Irene Renois, Milwaukee, Wis., waitress to Portland. Baer's attorney told the court that there had been a reconciliation between Baer and his wife who is living in Seattle with Baer's six children. When she caused Baer's arrest Irene Renois told officers that he had performed a fake marriage ceremony on their arrival here last July. Baer acting both as bridegroom and minister, telling her that as a minister he had authority to do this.

How to Avoid INFLUENZA Colds—Nothing you can do will so effectively protect you against Colds, Influenza or Grippe as keeping your organs of digestion and elimination active and your system free from poisonous accumulation.

"My children despise eggs, yet they ought to have them"

Delight them with this sugar, vanilla and milk egg-nog!

WE RECENTLY heard a mother say that her children simply despise eggs, and yet she knew how much her children needed eggs in their diet.

There are many adults also who do not like the taste of eggs. Not only that, but many people, both children and adults, who do like eggs tire of them rather quickly.

Here is a very simple recipe for an egg-nog so delicious that it will satisfy everybody and it is almost impossible to taste egg in it.

Beat the yolk separately and blend in two teaspoons of sugar, then add half a pint of milk and whip in the beaten egg white; add 1/2 teaspoon of vanilla and beat until frothy. This delicious blend may be varied by adding a tablespoon of chocolate syrup, or a spoonful of ice cream.

This tasteful drink encourages an appetite for eggs and milk, both of which are such beneficial foods for children and adults. As every mother knows, it is absolutely necessary that her children have milk, and it is very important that they have eggs.

Note what a little sugar does for taste. Sugar is nature's ideal flavor. Sugar is not only nutriment in its most inexpensive form—it adds zest and enjoyment to nearly every healthful food that is known. There is no substitute for sugar in the daily diet. The Sugar Institute.
