Flu Epidemic Is Creating Record Demand For Vicks

432,000 Jars Every 24 Hours
Needed to Keep the Nation
Supplied with Vapor-Salve

Flu Milder But Widespread

That the public has not forgotten the lesson of 1918 is indicated by its prompt response to the warning of health authorities to combat the flu by keeping free from colds.

The demand for Vicks Vapor-Rub, the vaporizing salve which proved so valuable during the 1918 epidemic, has already shattered by a wide margin all previous records.

Although the capacity of the Vicks laboratories has been tripled since 1918, they are once more operating night shifts to meet the national emergency.

The present output of more than 432,000 jars a day almost staggers the imagination. It means that every 60 seconds, day and night, over 3600 jars of Vicks are going out to check the nation's colds and help ward off the flu.

Mild though it is in comparison with 1918, this year's epidemic has already affected more than a million persons, and it is apparently still increasing.

Certificates Presented—

It will be of interest to learn that Certificates of Proficiency have been issued to the following students of Malin high school for 1928: Kamilla Klecker, Olga Lamplot, Margaret Macken, George Potueck, Charles Zumr and Charles Steynak. Those who received the Bronze award last year are John Mikovsky, Joe Holounek, Grace Thomason and Lottie Johnson. Vivian Williamson and Eliza Kirkpatrick have already won the certificate of proficiency this year, for making 20 or more words a minute with not more than five errors.

Mr. and Mrs. Magee Home—Mr. and Mrs. E. E. Magee are home from an enjoyable trip to San Francisco and other points south. Mr. Magee is manager of Underwood's Pharmacy.

Man So Nervous Gets Sore When Spoken to—"It actually irritated me to have anyone talk to me. I was so nervous. Vinol ended this and I feel wonderful now."—Wm. Fahy. Vinol is a compound of iron, phosphates, cod liver peptone, etc. The very FIRST bottle makes you sleep better and have a BIG appetite. Nervous, easily tired people are surprised how QUICK the iron, phosphates, etc., give new life and pep. Vinol tastes delicious.—Whitman Drug Store.—Adv.
