of
KLAMATH**

Miss Gertrude Returned—
Miss Gertrude Eckman of the Gertrude Shop is home from an extended buying trip to Chicago, New York, St. Louis, Cleveland and other leading style centers of the United States, where she purchased the latest modes for the local shop. In Chicago, Miss Gertrude found the weather bitter cold. "The morning I reached Chicago enroute east the weather was eight below zero. Anyone having visited Chicago knows what that means with a sharp wind blowing off Lake Michigan," Miss Gertrude said. "Are styles in ladies hats attractive," Miss Gertrude was asked. "Simply beautiful this season," she answered.

Radio Station to Be Built—
Construction of a government radio station on the Crater Lake highway near Medford to cost in the neighborhood of \$75,000 will start Friday, according to word received in Klamath Falls today. Ira Martin has arrived in the valley city to have charge of construction work. The station is one of six to be established on the Pacific coast for the protection of aviators. Weather reports will be broadcast on a 900 meter wavelength from the 500 watt station. Other stations are to be located at Portland, Seattle, Los Angeles, Oakland and Fresno. The station will be completed by June first.

Mrs. Barnhart Returned—
Mrs. George Barnhart of the Barnhart Shop has returned from Los Angeles and San Francisco, where she spent the past week purchasing more spring and summer styles for the local shop. "Each time I visited the style centers things seem to be more attractive," Mrs. Barnhart commented. Sport suits, unusually clever in color combinations and styles, beautiful prints, ensembles of gay colors are being shown. Arrivals of these various styles are coming daily to our shop. While in Los Angeles this past week Mrs. Barnhart found the weather cold for this time of year.

Students Accepted—
The high school of Klamath Falls has accepted the invitation to the sixth annual educational exposition of Oregon State college on February 22 and 23 and will send several delegates to the event. This exposition, which is largely educational in nature but enlightened with some entertainment features, was originated at the college as a means of assisting the high school students planning to attend college, to determine in advance the general line of work they are best adapted to, whether this knowledge would lead them to the state college or not.

Many View Talent's Wreck—
The totally wrecked car of C. P. Talent, state traffic officer, was the center of curious crowds of people who gathered about it all day Sunday and Monday, according to the Ashland Tidings. The car was brought to the Automobile Shop by the wrecker. Until details of the overturning and setting on fire of the car were explained, spectators could not understand how the car could have become so hopelessly demolished. Surprise was repeatedly expressed that Mr. Talent escaped without fatal injuries.

Sister Passed Away—
Upon receiving the sad news that her sister had passed away in St. Louis, Missouri, Mrs. S. W. Eroline of Modoc Point left Tuesday morning for the east. The young lady visited in Klamath Falls some time ago and will be remembered by a host of friends she made while here.

Missionary Society to Meet—
The Woman's Missionary Society of the First Baptist church will hold its regular business meeting on Thursday, February 14, at 2:30 o'clock in the church. A good attendance is requested as special business will be discussed at this time.

George Howard Here—
George Howard, representative of the Union Pacific, is paying his regular business visit in Klamath Falls today. Mr. Howard is here from headquarters in Sacramento and is stopping at the Hotel Willard.

La Grande Buried in Snow—
La Grande had 48 inches of snow during the month of January, according to word received here by local people from relatives and friends in the eastern section of the state.

Visited From Valley—
Mr. and Mrs. Louis Hoagland and small daughter have returned to Ashland after having spent the past few days here at the home of Mr. and Mrs. Nate Otterhelm.
