VALENTINE DAY IS TOMORROW

School children in the various grades of the city schools, especially those of the lower grades, are looking forward to Valentine's Day tomorrow when a jolly time has been planned for.

A number of unique ideas are being carried out in the various schools by teachers and students. Each of the rooms of the lower grades will have Valentine boxes.

At Riverside school a post office, a small building, has been placed in the lower hall where clerks are on duty receiving Valentines mailed to the various students. These will be opened on Valentine's Day.

In former times, Valentine Day was a pagan festival and was marked by human sacrifices. Today it is celebrated in the form of parties and the sending of gifts to intimate friends.
