GRANGERS HOLD GOOD MEETING

Session Held at Henley; News Notes of Shasta View District.

(Special To The Herald) (Shasta View, correspondent)

SHASTA VIEW, Feb. 20.—A most enjoyable day was spent by about 150 grangers and friends at the Henley Community hall on Friday, February 15. At this time the Pomona Grange was organized under the direction of the state organizer H. E. Kenney with a membership of between ninety and one hundred. After the election of officers a picnic luncheon was served by the ladies of the seven granges of the county. Officers elected followed. Hans Nylander, Merrill—lecturer; Jesse Drew, Hildebrand, secretary; Earl Cotton, Williamson River, treasurer; A. R. Campbell, Klamath Falls, overseer; R. E. High, Poe Valley, steward; H. J. Tichnor, Langell Valley, assistant steward; D. J. Blinn, Hildebrand, lady assistant; Mrs. J. L. Bailey, Mallin, chaplain; Jos. Mikosovsky, Mallin, gatekeeper; J. W. Turnbull, Merrill, Florio; Mrs. A. R. Campbell, Klamath Falls, Gerv. Mrs. Emma Wilson, Mallin, Pomona; Mrs. Ida Grimes, Williamson River. Immediately following the luncheon Rev. C. C. Hulet introduced National Lecturer James C. Farmer of New Hampshire, who gave a most helpful address which was thoroughly enjoyed and in the short time he talked he most emphatically emphasized the fact that the farmers must co-operate if they wish to compete with other interests. While the tables and room were being cleared Mr. Farmer held a special conference with the lecturers and anyone interested in this part of grange work. Following this was the installation of officers conducted by our National Lecturer.

Mr. A. M. Thomas presiding at the piano, Klamath County Pomona may be excused if proud of the fact that their officers had the honor of being installed by a National officer.

Judging from the visiting groups we noticed that day we feel certain a closer acquaintance and fellowship will develop from these gatherings of farmers and their wives and as their aims and interests are mutual we trust helpful results will follow.

Mr. and Mrs. W. A. Layman and Mrs. C. M. Kirkpatrick and daughter Eliza spent the week end at Dorris with friends.

Mr. and Mrs. W. R. Haskins and Mr. Houser were business visitors in Klamath Falls Friday.

Mr. and Mrs. Oliver Martin were visitors in the Rozze River valley the first of last week.

We are sorry to learn of the serious illness of Mrs. G. I. Holbrook at her home in Klamath Falls.

Those attending the organization of the Pomona Grange at Henley Friday, from the Mallin grange were Mr. and Mrs. M. J. Lousley, Mr. and Mrs. W. E. Layman, Mr. and Mrs. H. E. Wilson, Mr. and Mrs. Peter Fisher, Mr. and Mrs. Jos. Mikosovsky, Mrs. J. L. Jacobs, and Mrs. J. L. Bailey.

Mrs. Mulkey has been quite ill of measles at the W. R. Haskins home where Mr. Mulkey is employed.

The custom of a woman wearing a wedding ring originated in Egypt.

Don't Let That Cold Turn Into "Flu"

That cold may turn into "Flu," Grippe or, even worse, Pneumonia, unless you take care of it at once.

Rub Musterole on the congested parts and see how quickly it brings relief as effectively as the messy old mustard plaster.

Musterole, made from pure oil of mustard, camphor, menthol and other simple ingredients, is a counter-irritant which stimulates circulation and helps break up the cold.

You will feel a warm tingle as it enters the pores, then a cooling sensation that brings welcome relief.

THE RIGHT WAY TO BANISH FAT

Combat a cause which modern research has discovered. Turn food into fuel and energy, rather than into fat. Supply a natural element which your system lacks. That is the method embodied in Marmola prescription tablets.

People have used Marmola for 30 years—millions of boxes of it. They have told others the results. Now, in almost every circle, you can see the results in new beauty and new vim. Why not learn the way to attain them?

A book in each box of Marmola tells you the formula, also the reasons for results. You will know why the effects come, and why they are beneficial. Go ask your druggist—in fairness to yourself—for a \$1 box of Marmola.
