TEN PAYMENT
PLAN**

When we say America's finest suits and topcoats at thirty-seven-fifty, we substantiate it with the fact that we select materials, styles and tailoring, which are compelled to measure up to any \$45 or \$50 clothes on the market. Through our ten-store BUYING POWER we are able to obtain this standard of quality to offer at \$37.50.

At thirty-seven-fifty we show you a vastly superior quality of fabrics, the season's last word in styling and tailoring details which only come in the very finest of suits and topcoats. Come tomorrow, or at your first opportunity, and see for yourself that this is nothing but the truth. You will be thrilled as well as amazed at such extraordinary values.
