## 'HONEST' TOM BADLY BEATEN BY VON PORAT

### Chicago Heavyweight Sends New Zealander to Hospital.

CHICAGO, March 13. (AP)—Otto Von Porat's galloping gloves pounded a requiem to Tom Heeney's right hand opened in the final round. The wound sent blood cascading down Heeney's body, and the New Zealander, realizing how desperate his plight must have appeared, told Referee Ed Purdy not to stop the fight, but he was all right.

After the cut had closed, Heeney left the hospital. Heeney, upon whose body Gene Tomber wrote his farewell to the ring last year, was a badly whipped man when the Norwegian puncher got through his ten rounds of work. Von Porat took seven rounds, lost two and held Heeney even in the other. To the surprise of most of the 2,000 spectators he not only outslugged the New Zealander, but outboxed him most of the time.

The referee and two judges returned a unanimous verdict in favor of Von Porat.

## CLEGHORN AND CLINE TO MEET ON NEXT CARD

### Legion Match Looks Good as Promoter Signs Boxers.

THE NEXT CARD  
Walter Cleghorn, Seattle, vs. Tiger Johnny Cline, San Francisco, middleweights, ten round main event.  
Mike Daley, Peñon City, vs. Johnny McCoy of Seattle, six round semi-windup, middleweights.  
Joe Sielaff vs. Ted Tauer, four round preliminary.  
Steam Boat Jackson vs. Johnny Wilson, four round preliminary.  
Frankie Monroe vs. Pete Magallancae.

Walter Cleghorn, the roly-poly Eskimo Indian, regarded as one of the foremost middleweight main-eventers on the coast, and "Tiger" Johnny Cline of San Francisco, will clash in the main event of the next Legion fight card in what gives promise of being even better than the preceding Legion cards.

Cleghorn is the only Eskimo Indian fighter in the ring. He weighs 158 pounds, is short and stocky, and packs a terrific punch in either hand. Cleghorn has met such boys as Mike Hector, George Dixon, Roy Moore, the Australian champion, and Al Webster, the Montana strong man.

They call him "Leaping Left" up north, because of the peculiar and effective left hand stab he uses.

Johnny Cline is no stranger to ring followers. He is a two-fisted, hard-hitting Irishman from San Francisco.

Cline has even a greater record than Cleghorn. He has defeated Charlie Lewis, Tiger Robinson, Leo Mitchell, Jimmy Mahoney, Oakland Jimmy Duffy, and has kayped Eddie Damphier, Tom Moore, Fred Cullen. He has received draws with the famous Dave Shade, George Courtney and Tiger Payne.

Cline is under the management of Bennie Ford of San Francisco. He plans to take Cline east after a few more "warm-ups" to challenge Mickey Walker.

The main event looks like the best ever staged in Klamath— if the records of the two boys and their reputation up and down the coast are a criterion, it should be a great mix.

The remainder of the card is announced above.

## DAIRY SESSION HELD AT MALIN POST SESSION

For an hour and a quarter, members of the Malin Legion post listened last night to the discussion of dairy problems, principally abortion control work. Principal speakers included N. C. Jamieson, dairy specialist of the Oregon state college; Dr. C. R. Douham, connected with the Oregon state experimental department, and County Agent C. A. Henderson.

The final meeting will be held tonight in Henley auditorium under the auspices of the Pomona Grange.

## STARS AFRAID OF UNGLE SAM

(Continued on Page Nine)

screen celebrities may not be wholly unfounded, is evidenced by the announcement of United States Attorney S. W. McNabb that several idols of the movie fans may be named in conspiracy indictments.

Morton Fisher, assistant to the attorney general, Oliver E. Paquin, indictment expert, and Arthur H. Diebert, assistant general counsel of the internal revenue bureau, today are busy preparing the cases and studying the situation.

The one thing which may save the film stars involved from criminal prosecution may be the difficulty of proving criminal intent in the submission of the tax returns. In any event, say the federal experts, the actors and actresses will be glad to pay whatever financial penalties and the government may assess rather than face criminal prosecution.

Among those listed in the Berger indictment as having had their income tax returns prepared by her were William Haines, Rod La Roque, Dorothy MacKell, Lothar Mendes, Mitchell Lewis, George F. Marion, Jr., and Robert W. Browne.

## NOBLE FORCED TO RESIGN HIS RANK, OFFICE

### Commander Blamed for Disaster of Italia in North Seas.

LONDON, March 13. (AP)—The Exchange Telegraph company this morning said it had been officially announced at Rome that General Umberto Nobile, commander of the ill-fated Italia expedition, had resigned his rank and office. The resignations were accepted.

The official board of inquiry into the Italia disaster last week placed direct blame upon General Nobile for the loss of the dirigible and censured him for allowing himself to be rescued from the ice first.

General Nobile had a long and distinguished military career with the Italian army. He was an ardent fascist and reached world wide prominence when he flew with Roald Amundsen in the dirigible Norge across the North pole from Spitzbergen to Alaska in 1926.

That flight ended in a quarrel between Amundsen and Nobile and the Italian was charged with mistakes in the handling of the dirigible. The flight of the Italia followed two years later. The ship reached the pole from Spitzbergen but crashed on the ice and was lost as it neared King's Bay on its return.

It also said he was "responsible for that organization, development and completion of a military program which brought success to the American arms" and that "throughout the war he rendered services of inestimable value to the country."

## FORUM HEARS A. M. COLLIER

(Continued from Page One)

"This bill will give the officers of the law a splendid opportunity to get offenders or rustlers," Mr. Collier stated.

The Forestry Bill which provides for the withdrawing from tax rolls of all cut over lands, which will perhaps not go into effect for four years was discussed at some length by the speaker.

The Irrigation bill, for the securing of a minimum basis assessment of one acre tracts was another bill of importance. This bill provides that no assessment of less than one acre shall be made.

This same bill also changed the penalty and interests to irrigation districts, formerly claimed by the county.

Observance of the seventieth birthday of Oregon, which fell on February fourteenth was celebrated by senators and representatives when the legislature declared a holiday.

At this time Governor I. L. Patterson celebrated his seventieth birthday. A joint social function was enjoyed. The Governor's office was presented with a complete new set of furnishings, a gift from a Portland firm.

Discussion of the roads and highways bill, calling for the cutting of licenses 25 per cent and the adding of an additional one cent tax, which is familiar to people of Klamath county was briefly reviewed by the speaker.

Feeling that much favorable results will be felt from the people of this community as a result of the traffic officers bill, which provided that state traffic officers be given the power of policemen, Mr. Collier expressed himself pleased with the bill and its passing.

Senate Bill, No. 71, the banking code was explained in detail by Mr. Collier. This bill was

in the senate for at least three weeks and before the house four days.

This bill will bring about the strengthening of the banking fraternity, and help to eliminate failures in the future.

This law calls for the capital of a banking corporation to be paid in full and to have on hand a surplus of at least 25 per cent.

Under the direction of Miss Lillian Darby, superintendent of music in the Klamath Falls public schools, the Grade School orchestra rendered four enjoyable selections during the luncheon.

Miss Darby was highly complimented by Wilson Wiley, chairman and Andrew Collier, speaker.

## BELL WILL BE TAKEN NORTH

Faced with vigorous federal prosecution because of his previous offense, James Bell, charged with possession and sale of liquor, will be taken to Portland tonight to await the action of the federal grand jury on his case. Federal officers said that Bell may be prosecuted under the new Jones law which provides for heavier penalties for liquor violations.

## Opportunity knocks more than once at everyone's door

### No age limit on success if you keep fit

PEOPLE used to think that if you hadn't made your mark by the time you were 40, you were through. "That's all bunk," people say today. There's many a man who'll tell you he was past 50 when he made his first big success. Their experience runs something like this:

"I'd been going through life, always just missing out on everything. Worked like a dog, too. But never seemed to get anywhere.

"It was a doctor who put me wise to myself. Told me not to blame it on luck. That the trouble was with me—right inside myself. He recommended Nujol. I took it for three months. Never missed a day. And, say, I began to feel like a younger brother myself. Decided there was life in the old dog yet. When my big chance came, I was all ready, waiting to grab it. And I did."

Nujol keeps your body functioning just as Nature meant it to, under all conditions. Contains no drugs or medicines. Just a pure substance that

works normally and naturally. It not only keeps an excess of body poisons from forming (we all have them) but aids in their removal. These poisons slow you up mentally and physically. Dull your whole outlook on life, make you half-hearted. Buy a bottle of Nujol today. Perfected by the Nujol Laboratories, 2 Park Ave., New York. In sealed packages only. Your druggist carries it.

## Panama Indian Gets Nod Over Bill Townsend

PORTLAND, Ore., March 13. (AP)—Pedro Amador, Panama Indian and Billy Townsend, Vancouver, B. C., lightweights, furnished boxing fans with plenty of excitement and thrills in their slashing ten-round draw here last night. Townsend led in the early rounds, hitting Amador with everything he had, but the Indian boy never wavered and came back strong in the latter rounds, putting Townsend to the mat three times in the seventh round for the count of nine, eight and nine respectively. For this showing and his aggressiveness a majority of the spectators felt Amador was entitled to the nod. One judge gave him the decision, while the other two arbiters called it a draw.

## MASTRO BEATS NATIONALISTA IN TEN ROUNDS

LOS ANGELES, March 13. (AP)—The flat stock of Earl Mastro, Chicago youngster whom many believe is of championship timber, had risen higher today as the result of a decisive win over Young Nationalista, veteran Filipino who has proved a stumbling block to many other hopefuls.

Mastro, who but a short time ago trounced Kid Francis, of Italy and former European champion, in a bout here, had the swarthy-skinned Nationalista at the mercy of his speed and cleverness virtually throughout the ten round bout here last night. In but two sessions was the Filipino able to cope with the Chicago Italian's skill.

## WARNICKE AND CRIM TO FIGHT

With two of his prize boys in tow, Frank Warnicke, Portland fight manager, passed through Klamath Falls on his way to Lakeview, where his fighters will appear in the main event and semi-windup of a fight card there.

Frank Warnicke, cousin of the great German heavyweight, Max Schmelling, was one of Chicago's fighters. He meets Jack Crim in the main event. Besides his fighting propensities, Warnicke bears the reputation of carrying the biggest ears and craziest grin ever seen in a fight ring.

Frankie Monroe, a fighter who has shown real class of late, meets Bear Cat Burns in the semi-windup.

Both of these boys will appear in a Klamath ring in the near future.
