Put a "handful of health" in the muffins tonight

IT TAKES only a few minutes to make bran muffins if you use the famous ALL-BRAN recipe. Just try it. You'll get the lightest, fluffiest, best muffins you ever took from the oven. All the family will surely praise your skill that night!

And remember, you'll be helping them to better health at the same time. For so many foods are lacking in bulk or roughage. And it is this lack that so often causes constipation--which in turn steals energy and health and may even cause serious disease.

Kellogg's ALL-BRAN provides bulk in generous quantity because it is 100% bran. By serving it in some form every day you can protect your family. So many ways to serve it too. In waffles, breads. Sprinkled into soups. Mixed with other cereals. And, of course, with milk or cream, fruits or honey

ALL-BRAN Muffins
2 tablespoons shortening, 1 cup sugar, 1 egg, 1 cup milk, 1 cup Kellogg's ALL-BRAN, 1 cup flour, 1/2 teaspoon soda, 1/2 teaspoon salt, 1 teaspoon baking powder.
Cream shortening and sugar together, add egg. Mix and sift dry ingredients, add ALL-BRAN, then milk, alternately with oil and dry ingredients. Pour into greased muffin tins, and bake in moderate oven (375° F.) for 20 minutes. Yield: either 8 large or 12 medium-size muffins. If sweet milk is used instead of sour, omit soda and use 3 teaspoons baking powder.

added, it makes a delightful breakfast dish.

Be sure you get genuine Kellogg's—the original ALL-BRAN. Part-bran products, at best, bring part results. Doctors recommend ALL-BRAN. Just eat two table-spoonfuls daily—chronic cases, with every meal.

Sold by all grocers. Served in hotels, restaurants and dining-cars. Made by Kellogg in Battle Creek.

Guaranteed!
Kellogg's ALL-BRAN is sold with the distinctive guarantee: Eat it according to directions. If it does not relieve constipation safely, we will refund the purchase price.

Kellogg's ALL-BRAN

EASTER breakfast! What a delightful tradition—the joyousness, the freshness of it! The delicate pink-and-white goodness of a Premium Ham seems best to preserve the infectious spirit of this charming way to start this day of days.

Swift & Company

Many of the guides to identification of the genuine Premium Ham—the branding on the rind, the sanitary wrapper, the blue tag—have become general trade practices.

Now, Swift & Company has inaugurated an additional method of identification—the name "Swift" branded in dots on the side, just as it appears in this illustration.

LOOK FOR THE NEW BRANDING

Premium Bacon has just the right proportion of fat and lean. The rich distinctive flavor of the genuine is always yours when you see the name "Swift" branded in dots down the side.
