"Colonel" Found to Be a Woman

London was amazed by the revelation that "Colonel Ivor Victor Barker," three times a bridegroom and possessor of numerous decorations for war heroism, was in reality a woman. She was the mother of three children by an earlier marriage before taking up her masculine masquerade four years ago. She confessed her true sex after having been sentenced to prison for contempt of court.

POPULAR YOUNG LADY TWO RIVERS, Wis., April 1. — A local girl, very popular with the flaming youth of the city, got her date book all scrambled with the result that seven young gentlemen called on her at the same time one recent evening.
