chosen the New
Chevrolet
Six**

Smooth Six-Cylinder Performance

Chevrolet adopted the six-cylinder motor because of its greater inherent smoothness. As a result, the Chevrolet Six delivers its power easily, freely and without annoying vibration or body rumble—assuring at every speed the quiet, luxurious comfort that everyone expects of a fine automobile.

Better Than 20 Miles to the Gallon

Due to finer carburetion and improved manifolding, this marvelous six-cylinder performance is delivered with fuel-economy of better than 20 miles to the gallon of gasoline—making it possible for those who can afford any automobile to own and operate a Chevrolet Six!

Distinctive Bodies by Fisher

Longer, lower and roomier... finished in alluring colors... and offering such fine car features as Fisher VV windshield, adjustable driver's seat, deep-tufted upholstery and Ternerstedt hardware—the new Fisher enclosed bodies give the Chevrolet Six an outstanding measure of smartness, style and distinction.

Every Modern Driving Convenience

The new Chevrolet Six is equipped with every modern feature that contributes to safety and ease of control—full ball bearing steering mechanism... quiet, non-locking 4-wheel brakes... theft-proof Electrolock... automatic stop and tail light... rear vision mirror... electric motor temperature indicator... and foot-controlled adjustable beam headlights.

A Six in the Price Range of the Four

Many people do not realize that this marvelous new six-cylinder Chevrolet is actually offered in the price range of the four. Compare total delivered prices as well as factory prices when determining automobile values. You will find Chevrolet delivered prices include the lowest handling and financing charges available.
