

NEWS IN BRIEF

"Oaks," Family Pet, Dies—

"Oaks," a bull dog, the family pet of the Vannice children for many years, is dead. Several days ago the dog came home suffering from the effects of poisoning. For days he was unable to move and finally died, leaving the Vannice children mourning his loss. He is buried in the back yard at the family residence on Pine street. People who knew "Oaks" knew him to be harmless and how much he was loved by the Vannice children and all of the children of the neighborhood.

Girl Attorney Successful in Federal Court

POLA REVIVES LOVE FOR LATE VALENTINE
PARIS, April 12. (UP)—Pola Negri's grief at the reported break-up of her marriage to Prince Serge Mdivani today took the form of renewed adoration of the memory of Rudolph Valentino, to whom the motion picture actress said she had been engaged shortly before his death.

Miss Negri today made an automobile tour of Paris theatres to find one showing a Valentino film. Her chateau is filled with Valentino photographs.

Prince Mdivani, however, was quite resigned to their "agreement to disagree." He said "Pola is a sweet and wonderful girl" but added that there are times when "two people cannot agree."

Nerd At Dorris Today—

E. O. Nerd of Nords Landscape Service left for Dorris this morning to deliver a shipment of large shade trees which are to be set out in the public park and along the streets of the town.

Chicago, April 12. (UP)—

Sixteen former members of the Chicago Association of Candy Jobbers were found guilty of violating the Sherman anti-trust act in a verdict opened in federal court today. Nineteen other defendants were acquitted.

Those found guilty of operating the so-called "candy racket" are liable to sentences of a year in prison and fines ranging as high as \$5,000.

The convictions were secured by Miss Mary Connor, blue-eyed New England girl, who served as the government's anti-trust expert and battled alone against the combined efforts of four defense lawyers.

The government charged that the candy jobbers used stench bombs and window smashing to intimidate candy and cigar stores which refused to join the "racket."

The whistle of a locomotive can be heard to a height of one and one-half miles in the air.
