PREDICTS WAR AS RESULT OF DEBT FAILURE

PARIS, April 22. (AP)—Marcel Huiss, writing in the Echo de Paris today, says that Georges Clemenceau, France's war time premier, takes an exceedingly grave view of the attitude of Dr. Hjalmar Schacht in the present reparations deadlock.

The journalist quotes Clemenceau as follows:

"His (Schacht's) refusal and his designs tend toward nothing less than a new war."

He further quotes "the tiger" as saying:

"The Germans have only to refuse now to pay the Dawes annuities to justify maintenance of our occupation of the Rhineland zones after the period provided in the peace treaty."

NOTICE.

Will not be responsible for any debts made by anyone other than myself. Signed:
