FOUR OF FIVE BOUTS KAYOES

Brooklyn Boy Defeats Homer Sheridan Last Night

PORTLAND, Ore., May 8. (A.P.)—Four out of the five bouts of last night's boxing program at the City Auditorium ended in knockouts. In the main event, Willie Feldman, Brooklyn, N. Y., astonished the spectators by out-fighting Homer Sheridan, Hollywood, to take a well-earned ten-round decision. In the second round a succession of rights to Sheridan's jaw almost had him on the floor, but the veteran fighter weathered the round against his nimble opponent. Sheridan weighed 155 lbs., Feldman 158 lbs.

Eddie Thomas, fighting 120-pounder from Bellingham, Wash., paralyzed Johnny Hawkes, Seattle, with a right hand uppercut in the first round of their scheduled semi-final.

Jack Hanley, former University of Washington law student from Seattle, knocked out the veteran Joe Blockwell, Portland, in the fifth round with a stunning left uppercut after having dropped him for a count of six. It was Hanley's first professional match. Morne Rogers, Hood River, added another knockout to his list at the expense of Jack Smith.

Ray Huffman, Seattle, made Gene Haigh, Hood River, quit in the first round of the curtain show.

Boat Service on Upper Lake Is Available

Through announcement made today by The Oregon Boat Company, people of Klamath Falls can avail themselves of boating service on the upper Klamath Lake.

For the convenience of those making the trip to upper Klamath Lake watchman service will be provided by the company.

Gas, oil, life preservers, life preserver cushions and small boat accessories will be available at the boat house located on the Shippington road.

The public is invited to visit the boat house where boats will be demonstrated at the request of visitors.

Old Alec Broke In When Ruth Was Sweet 16

By Al Demaree
(Former Pitcher N. Y. Giants)
"Old Alec" the fans call Grover Cleveland Alexander, the great pitcher of the St. Louis Cardinals, but they probably don't realize just how much that means.

Alexander is now pitching his nineteenth season in the majors. He was pitching in the minors for several years before he came up. Nineteen years is a pretty long time in anybody's racket, and it is a very long time in sports.

Just how long it is may be judged from the fact that there isn't another man who was in the big leagues when Alex broke in still playing regularly.

Nineteen years ago Dempsey and Ruth were 16. Babe's homers were undreamed of because they were still using the old dead ball then.

Tommy Burns was heavyweight champ, and Jim Corbett still thought he could fight and was challenging Jack Johnson.

Bobby Jones was seven years old, and Helen Wills was about five.

Jim Thorpe was playing football at Carlisle. He had yet to win the Olympic crown and had his cups taken away from him.

L. IRETON WILL GET CONTRACT

Contract for the construction of the Sprague River-Klamath Falls Lakeview highway road connection—a thoroughfare of about ten miles—will be let next Saturday to L. F. Ireton, Klamath Falls contractor.

Mr. Ireton was the low bidder when bids were opened last Saturday and the signing of the contract is but a matter of routine.

PIRATES FAIL TO MAKE HIT

NEW YORK, May 8. (A.P.)—Carl Hubbell, star left hander of the Giants, let the Pirates down with a hit here today, and New York won 11 to 9. Hubbell passed one man and the Giants made three errors behind him.

Hubbell's no hit feat was the first in the major leagues since August 21, 1926, when Ted Lyons of Chicago turned back the Red Sox by six to nothing without a safety. It was the first hitless effort by a Giant pitcher since May 7, 1922 when Jess Barnes faced only 25 Phillies.

NEW SEDAN IS ON DISPLAY AT MOTOR CONCERN

The Baiserer Motor company is displaying a new town sedan today and tomorrow in their local show rooms. Any one interested in seeing the new car is urged to call before noon tomorrow as the time for display is limited.

The town sedan is distinctive in appearance and has every convenience of the car construction. It is of the three-window, four-door type, and the body is longer than any of the passenger cars in the Ford line.

MICHAELSON'S BAGGAGE WAS NOT INSPECTED

KEY WEST, Fla., May 8. (A.P.)—The baggage of Congressman M. Alfred Michaelson of Illinois was passed through the customs at Key West without inspection when he arrived from Havana on January 2, 1928, on orders from Washington extending him the courtesy of the port. Deputy Collector L. T. Braggaffa testified today at Michaelson's trial for prohibition law violation.

WIRE BANDITS EVADE POLICE

SACRAMENTO, Cal., May 8. (A.P.)—Daring copper wire bandits who eluded their activities in Yolo county by stealing seven miles of telephone wire strung by the Pacific Telephone and Telegraph company were the object of a widespread search today.

Sacramento officials of the company received a report last night that nearly two miles of a new line being strung near Arducke and Maxwell had been clipped from the poles. Four wires, representing 1400 pounds of copper, had been strung between poles 150 feet apart.

WHEAT PRICES CLIMB AGAIN

CHICAGO, May 8. (A.P.)—Big buying developed today in the wheat market here, and lifted prices after new low-price records for the season had been touched. Today's Liverpool wheat quotations were much below what had been expected, and this caused some transient weakness here, but a majority of Chicago traders appeared to consider that for at least the time being every depressing influence had been more than allowed for, and that rallies were overdue.

PASS BILL TO RAISE LIMIT

SACRAMENTO, Cal., May 8. (A.P.)—The speed limit on state highways would be raised ten miles an hour under the terms of a bill passed by the assembly last night. It was introduced by Assemblyman Morgan Keaton of Long Beach and would permit vehicles to travel fifty miles an hour along straight stretches. The bill goes to the senate.

BODY OF IVAN HOUSTON FOUND

(Continued from Page One)
his graduation from the university he engaged in the insurance business at Eugene, remaining in that work until he enrolled as a flying student.

Officials of the Western Air Express here today declared he had displayed marked ability as a pilot and that he apparently had crashed while seeking to return to Dover, Colo., where the Government maintains a lighted emergency landing field.

Ivan Houston, air mail pilot, who was killed last night when his plane crashed, resided in Klamath for several years at the home of Mr. and Mrs. J. A. Houston. He was an orphan.

The young man was well known and well liked in Klamath Falls. Mr. and Mrs. J. A. Houston and Mr. and Mrs. J. B. Houston were his uncles and aunts in this city while his cousins include Leo, John, Fred and Will Houston.

After he left Klamath Falls he went to the University of Oregon where he worked his way through college.

WARN PUBLIC AGAINST FAKE MOTOR CLUBS

Arrests of "KIP" motor club representatives made within the past week in Washington county, draw attention to the tremendous sum of money fake clubs take from the public each year.

According to information received at the chamber of commerce today, motorists are warned to be on their guard against such representatives.

Journeying through the state "working" in community centers a group of high powered salesmen can remove considerable money, by promising all sorts of inducements to secure the motorists' money. It is estimated that in Oregon alone more than \$100,000 has been taken from the motorists during the past year by the operation of these KIP salesmen.

WET LEADS FOR JOB OF MAYOR

GARY, Ind., May 8. (A.P.)—Rowell O. Johnson, recently released from federal prison where he served time for liquor law violation, had a lead of more than 2,000 votes today over Floyd Williams for the nomination of Mayor of Gary, on returns from 46 of the 57 precincts.

His lead was regarded as sufficient to insure his victory, and nomination on the republican ticket in Lake County is equivalent to election.

AT THE THEATRES

AT THE LIBERTY

H. H. Van Loan, author of many successful screen and stage plays, among the latter "The Noose" and "Blood Money," the former having just reached the screen as Richard Barthelme's latest starring vehicle, is the author of "You Can't Beat the Law," a screen drama dealing with the crooks' eternal battle against the forces of justice, which plays at the Liberty theatre tonight. Mr. Van Loan has drawn a story based on true facts gathered during the days when he was a police reporter, and has built a thrilling picture concerning real people, except, of course, that fictitious names are given his characters. Lila Lee and Cornelius Keefe head the cast, which also includes Betty Francien and Warner Richmond.

AT THE PINE TREE

Those who have followed the adventures surrounding "The Little Yellow House" in Beatrice Burton's serial story in McCall's magazine and who have not yet seen this novel on the screen will have their last opportunity to do so this evening, for the production of this little classic is run at the Pine Tree theatre today.

Directed by Leo Meehan and featuring a cast headed by Martha Sleeper and Orville Childwell, "The Little Yellow House" is of its kind one of the best pictures produced during the past year, in addition to the two leads mentioned above, the cast includes Lury Beaumont, Edythe Chapman, Edward Peil, Jr., William Delamond, and Freeman Wood.

AT THE ORPHEUS

What Julian Eltinge did on the stage George K. Arthur, comedian, did in films, when he made up as a perfect girl for his role in "Detectives," the new comedy thriller now playing at the Orpheus theatre. The new picture co-starring Arthur and Karl Dane depicts the heroes of "Rookies" as amateur detectives blundering into the mysteries of an underworld plot. Chester M. Franklin directed the new picture, with Marceline Day as heroine, and Polly Moran, Tonon Holtz, Clarence Lyle, and others of note in the cast.

AT THE PELICAN

The Junior Orpheum Vaudeville show that has been delighting packed houses for the past two days at the Pelican closes tonight. The show is replete with comedy, dancing numbers, musical selections on piano, banjo, and xylophone, and is interspersed with vocal numbers. The film attraction with this five act show is "Harold Teen" featuring Arthur Lake.

Talking Feature Tomorrow
The high point of mystery and talking films is rounded in "The Canary Murder Case," which opens tomorrow for a three days run. The whole cast talks—the screen tells its picture story in words as the characters seek to discover the criminal who is responsible for the murder of Broadway's most beautiful girl.

FIND NO TRACE OF JAGIELSKI

Report that Frank Jagielski, employe of the Willard hotel, had been captured in Eugene, was declared erroneous today by Sheriff L. L. Low and Deputy District Attorney T. R. Gillenwaters.

Jagielski is being sought as the robber who looted the till of the Willard hotel dining room of \$145.65 early yesterday.

FARM MOVIES ARE DISPLAYED

What the Merrill grange meeting lacked in numbers was made up in attentiveness to agricultural pictures displayed by C. A. Henderson, county agent.

The films revealed various features of agricultural enterprises.

"They're all good cigarettes, chief—but this one is a pippin"

115 B & O MEN TEST 4 LEADING CIGARETTES

"Why should I change?" says the average smoker, when someone suggests another cigarette.

"I'm used to my brand . . . and it's a good smoke."

Of course it's good. Not even Old Man Habit can hold a smoker to a poor smoke. But being used to an old thing often keeps a man from getting acquainted with a better one. That's the reason for these "concealed name" cigarette tests now going on all over the country. To give a man a chance to find out, on the level, which cigarette his taste really does like best.

Look what happened at the Mt. Clare shops of the B & O in Baltimore, the other day. Most of the fellows there had been smoking that old favorite (let's call it Brand Y) for years. But when Chairman of Machinists, James E. Poulton, handed out the four leading cigarettes with paper "masks" over the names, 57 out of 115 picked OLD GOLD as the best cigarette. It was a walkaway for OLD GOLD!

"That only proves," said a chief mechanic, "that a fellow misses a lot if he gets too set in his ways."
