THE MAN IN CHARGE MARKS ALL PRICES

Folks, I'm here to save you money. This is going to be a fast selling event. I have entered into a contract with the Oregon Woollen Stores to raise a certain amount of cash in a very few days. So realizing that in order to do this, they have let me go the limit in marking this stock of merchandise. In my years of sales experience this is one of the highest grade stocks I have ever handled. But that means nothing to me. "Sell at some price" is my motto. Come in and see the way prices have been torn to shreds on these goods. Come expecting the biggest values of a lifetime.
