

DRIVER OF CAR IS SHOT DOWN

(Continued from Page One)

automobile ride, and were making a turn at the Mullin bridge when a man with a pistol stepped from the shadows and ordered them out of the car.

Johnson's ankles and wrists were lashed with copper wire, and Miss Muller's wrists were tied. Clothes soaked in chloroform were bound around their faces, they said.

Johnson declared he was thrown back into the car, while the bandit dragged the girl away. Johnson struggled to free himself and help the girl, and the assailant fired four shots at him, hitting him in the jaw, right arm, neck and right breast.

Then the bandit went to the gasoline tank, opened it and set fire to the car. In a hysterical condition, Johnson freed himself, he said, and staggered from the machine into the brush. The bandit fired several more shots at him, without effect.

A passing motorist brought Johnson to the police station, but he was unable to give a coherent account of the attack. He reported that the girl had been burned to death, but meanwhile she had also escaped.

Youths Enjoy Golden West Weiner Roast

A weiner roast, where over three hundred weiners and ten gallons of punch met a well deserved fate, ended the sixth day's activities of over 150 of Klamath Falls live wire boys and girls who are competing in the Junior Sales contest being sponsored in Klamath Falls by the Golden West Coffee company of Portland.

Races for prizes, pep talks and instructions for the final three days of the big competition were also features of the evening.

At the weiner roast it was also announced that the Pelican Theatre had been selected for the pay off party after the close of the contest. The time is next Monday afternoon at 4 o'clock.

In reviewing the work of the youngsters and forecasting the probable winners, Mr. H. H. Matthews stated, "We have been very well pleased with the work of these Klamath Falls youngsters, who seem to appreciate this chance to make some real vacation money and it looks at this time as if we were going to set a record in amount of commissions that will be paid the youngsters next Monday afternoon."

"There are about 35 boys and girls, who by working steadily these last three days have a good chance to get into the first eight places, which by the way are the ones who will receive the eight cash prizes," Mr. Matthews continued.

The contest will officially close next Saturday evening at 7 o'clock and if the judges can complete their work in time the winners will be announced in the Sunday paper. More information regarding the "pay-off" party at the Pelican will be carried in the Herald tomorrow and Saturday.

Clearaway Sale

We're clearing the shelves of this choice and seasonable merchandise in one great removal sale. Our new home is nearing completion and it's only a matter of a few weeks until the Golden Rule's greatest value giving event will be over. Take this opportunity to save, buy now while assortments are complete.

KLAMATH FALLS, OREGON

YOUTHS LEARN HOW TO COOK

Western boys are learning how to cook. At least that's the deduction of Mrs. M. R. Hare, who is now demonstrating the General Electric Refrigerator and the new and values 32 Knox Gelatine at the Hotel Willard. Mrs. Hare recently conducted meetings in Washington and says that she found more boys there interested in the cooking business than in any other state she has visited. She has been conducting demonstrations throughout the east and middle west and is now anxious to find out whether Oregon boys are as interested in frozen desserts and salads as boys in Washington are.

Mrs. Hare will be at the Willard ballroom the rest of this week. Each day frozen desserts and salads will be displayed and samples offered to all persons who visit the demonstrations. Free cook books will also be given away.

Mr. and Mrs. Bringle of Reno announce the birth of a daughter on Thursday.

TWO AUXILIARY ENGINES SAVE BIG AIRPLANE

OAKLAND AIRPORT, OAKLAND, Calif., May 23.—Auxiliary motors of a 12 passenger Boeing air transport plane saved seven persons from death or injury near Elko, Nev., today and they resumed their journey to this airport by air.

A tri-motored plane used by the company for night flying between Salt Lake and Oakland was forced down in darkness

after one motor failed. The other two engines kept the ship up until a level field was reached. The plane was almost destroyed by fire after it landed, the blaze being caused by a short circuit when it bounced over a ditch and broke the landing gear.

Mrs. Brearcliffe Returning

Mrs. Bess Brearcliffe will return home Sunday from Portland where she submitted to a serious major operation three weeks ago (tomorrow). Mrs. Brearcliffe has been a patient at St. Vincent's hospital while north.

Visits Sick Son

Mrs. E. Ada Barr returned to her home in Oregon City, after visiting her son, Joaquin Barr, who is ill at the Hillside hospital.

Mr. and Mrs. Metcalf Home

Mr. and Mrs. Howard Metcalf are home from a business and pleasure trip to Portland. Mrs. Metcalf is with The Klamath Abstract. Mr. Metcalf is an accountant. Within the near future Mr. and Mrs. Metcalf expect to take possession of their new home on Pacific Terrace just recently completed.

Visits From East

Massachusetts was represented in the transient list today, when Miss Young, of Mt. Holyoke College, of that state, left en route for Portland. Miss Young is making an extensive tour of the west.

Accepts Position at Depot

Mrs. Edith Evans has taken a position at the Southern Pacific depot as head operator; she was transferred from Eugene.

There are tribes of savages who do not know that the sun is the source of daylight.
