RITCHIE PUTS UP HARD FIGHT BUT IS KAYOED

Klamath Falls Heavyweight Out in Fourth; Lomski Wins

PORTLAND, Ore., May 29, (A P)—Leo Lomski, Aberdeen, Wash., light heavyweight, won a ten-round decision here last night over Yala Okun, New York, before a packed house at the auditorium. Lomski scored one knockdown in the fifth when he sunk a left hook deep to Okun's stomach followed by a right to the jaw. After a count of five Okun got up and fought back vigorously. Lomski was said to have hurt his right hand in this round. Okun showed boxing skill and willingness to mix and took the aggressive in the early rounds but after the fifth it was Lomski's fight all the way.

Tony Talarico, Spokane heavyweight and Earl Ritchie, Klamath Falls furnished the liveliest fight of the night. It was featured by numerous knockdowns. After being knocked down four times in the first three rounds Talarico came back to knock Ritchie out in the fourth.

Fast Fight
Another fast mix was the four round match between Roy Crest and San Francisco and Billy Robbins, Portland. Robbins had Crest outboxed and apparently beaten early in the fourth, but the blonde youth suddenly unfurled a volley of punches to nose out the decision. Frankie Burnell, Albino and Jess Hottinger, Oakland, went six rounds to a draw and Jack Sweetney, Victoria, B. C., outclassed Lefty Wharton, Portland, in the curtain raiser.

CALLAHAN WINS BY KAYO ROUTE IN 3RD ROUND

LOS ANGELES, May 29, (U P)—Mushy Callahan won a three round knockout over "Dummy" Mahan in a sensational fight at the Olympic auditorium here last night.

In the first round Mahan knocked Callahan down with a right swing. The junior champion arose at once and fought valiantly. In the second round Mushy floored Mahan for a nine count. Mahan got to his feet and sent Callahan reeling to the canvas for a no count.

Then Callahan waded in and with a flurry of punches sent Mahan down for a nine count. In the third Callahan stopped the show by putting his opponent to sleep with a terrific right to the jaw. Benny Miller won the semi-windup from Billy Blake by taking the first five rounds.

CHILOQUIN, May 29, (Special)—In line with other local improvements, the Southern Pacific railroad company has in Chilochin an extra crew of 25 men under George Pearos, foreman, employed repairing the Chocktoot street crossing.

At present the crossing is torn up while laborers are putting in new ties. When finished a new type slag will reduce the bumps formerly encountered. The slag being used is a brown material and rather expensive, says Foreman Pearos. It is shipped in from Kennet, Calif. While it is rough at first it will smooth down into a good traveling surface, it was stated.

Bly is growing rapidly, stated Mr. Williams, making it necessary to keep more building material at that point. Of the many new homes going up here the Williams Lumber company have orders to supply nine or ten of them. C. A. Williams is head of the Bly plant.

PIRATES, CUBS TIED FOR 1ST

Two Teams Deadlocked for First Place; Meet in Series Today

(By William J. Chipman) (Associated Press Sports Writer)
This mad dash of the Pirates has carried them past the last barrier, leaving the Buccaneers on even terms with the Cubs who now invade Pittsburgh to fight for the lead in a three-game holiday series.

Young Ervin Brame led the Pirates to a 5 to 2 triumph over Clarence Mitchell and the Cardinals in St. Louis yesterday as the Cubs lay idle in a Cincinnati rainstorm.

The victory left the Buccaneers looking tight with the Bruins for the lead, one and one-half games ahead of the Cardinals, who have lost three games more than either of their current pennant rivals.

The Pirates, the Cardinals and the Cubs remain the only National League clubs above the .500 mark, despite the new lease on life taken by the Giants. The Clan McGraw put on another home run party at the Polo grounds yesterday, defeating Brooklyn by 5 to 3.

The Phillies took the Braves into camp, this time by 9 to 5. The Red Sox rallied against Rube Walberg and Bill Shores at Boston yesterday to shade the Macks, 5 to 4, ending the Mackian streak at eleven. The Yankees clubbed four Washington pitchers for sixteen hits to triumph by 12 to 7.

Unmindful of their more highly regarded rivals, the Browns accepted their opportunity to gain on the Athletics by shading the Tigers in Detroit, 4 to 2.

Danny Dugan made his first major league start at Comiskey park, but the bats of Cleveland's Indians were too much for him, and the White Sox were turned back 5 to 2.

The saloons can never come back now. All the corners are occupied by filling stations.

The average size of hospitals has increased from a bed capacity of 97 in 1909 to 125 in 1928.

STANFORD WILL DEFEND TITLE AGAINST EAST

PHILADELPHIA, May 29, (U P)—The Stanford track and field squad arrived tonight to defend its 1927 and 1928 championships at the annual I. C. A. U. A. meet at Franklin Field Friday and Saturday.

Most critics favor the squad to repeat its success this year, and many feel that Penn has the best chance of halting the westerners with Barney Berlinger, its all-around star.

Director Lawson Robertson admits that his chances with the Penn squad rest largely upon Berlinger's ability to score points in four events.

Aside from Penn, Yale and New York University are given the best chance among eastern teams. Yale was second to Stanford last year, and N. Y. U. on its showing in dual meets, looks good.

One of the entertainments being planned for the convention is an endurance swim in which the smiling California woman will invite competitors to swim, but not to float. Her world's record is 56 hours and 56 minutes in fresh water.

In preparation for the coming event in Klamath, Mrs. Fourrier is in training at Edgewood which has an altitude of about 3,500 feet.

As part of her morning exercise yesterday she knocked out three men in the boxing ring and walked two miles before breakfast. After a few such pleasures she drove over the highway to Klamath and returned home last night by motor.
